Dear 4-H Member:

Do you want to be a camp counselor? Junior Fair Board Member? Junior Leader? Outstanding 4-Her? Scholarship or Award Trip winner? Do you find yourself asking "How do I get to do that?" We suspect that as you have gotten older you have started to look for new and exciting things where you can be involved. Read on... 4-H has special opportunities for teens only where YOU can play a part!

The purpose of this letter today is to inform you of the many exciting opportunities that await you as a teenager in the Fairfield County 4-H Program. On the next few pages you will find descriptions of county and state level opportunities that are available to 4-H members ages 14 and up as of January 1st. Some of these activities require completion of special forms while others just involve asking for more information. Regardless of what you are interested in, be sure to give me a call if you need more information or would like some help with the necessary forms.

Following this letter, you will find a response sheet. After you review the material in this packet, place a check next to the items that you are interested in and **return the response sheet by December 1, 2018**. Any additional paperwork required for the items you are interested in will be sent back to you (*remember that it is best to send your response sheet in ASAP so that you can have as much time as possible to complete any additional paperwork*). Application forms for those opportunities who require a separate form or application will be available at <http://fairfield.osu.edu> on December 1<sup>st</sup>.

If members and parents would like a little extra assistance in preparing their records, feel free to call or email Leslie (740-652-7272) at [cooksey.25@osu.edu](mailto:cooksey.25@osu.edu) or Aubry (740-652-7271) at [fowler.443@osu.edu](mailto:fowler.443@osu.edu).

We encourage you all to broaden your 4-H experience and try something new. We think you'll find many new friends and much more fun ahead!

Sincerely,
