

## Finding a Club for Your Family

1. Look for a club that meets in a place where you are comfortable.
2. Select a club that meets during the times which work with your family's schedule.
3. Find a club that accepts members within your child's age range. Cloverbuds must be at least age 5 and in Kindergarten as of Jan 1. Project members must be at least age 8 and in 3rd grade as of Jan 1.
4. Decide what kind of projects (non-animal, animal, sewing, shooting sports) your child plans to take and find a club that accepts those kinds of projects.
5. Contact the advisor for more detailed club information. Ask about participation/attendance requirements, club dues and fundraising
6. Ask what kind of involvement or participation the club expects from the parents.
7. Set up a visit to a club meeting or jump right in. Have fun and enjoy your 4-H Cub experience.

### When is the best time to join?

The best time to join 4-H really depends on the club's meeting schedule. Try to contact the club in the winter or early spring so you can make your decision prior to the enrollment deadline which is May 1.

You can also attend the 4-H Day, the first Saturday in March from 1:00 - 3:00 p.m. at the AAA Building at the Fairfield County Fairgrounds. Current 4-H members will display their projects and be available to share information about their 4-H experiences. Information about specific clubs will be available as well as the opportunity to join 4-H.
