

~ Ohio 4-H International Programs ~

Celebrating 69 Years!

Open Your World! Ohio 4-H International Exchange Programs are among the largest and most successful in the country. Ohio families host visitors from around the world, and Ohio youth & adults travel abroad to live with families in a variety of countries. Host Families & Youth Travelers are not required to be current 4-H members ~ in fact, they automatically *become* members by participating! *Join us* this year!

2019 Host Family Opportunities

Don't have the time and money to travel? Enjoy the exposure to different cultures which traveling brings? Looking for a low-cost project or experience in which the whole family can participate and grow together? The Ohio 4-H International Program allows families to gain the benefits of international travel right here at home, as they welcome a new son, daughter, brother or sister from another country into their homes. Host families come in many shapes and sizes and are responsible for lodging, meals, and family activities. Exchangees bring personal spending money, as well as medical/accident insurance. Host families are asked to "live their everyday life," and to simply treat their visitor as a member of the family, with the same responsibilities and privileges as other members. **Notes:**

*Families hosting a youth must have their own child of the same gender and approximate age.

*Families should not have any native speakers of the language of their visitor, and can only host one visitor at a time.

Deadline: As soon as possible, by 2/28 for 1st-choice placement. Applications accepted until all youth are placed (usually April for females & May for males). However, please inquire whenever you learn about our program! Thank you!
