Engineering and Environmental Science

Awards for summer judging were done differently this year due to the changes we had to make. Rather than placing awards within a project title or area, we allowed each judge to pick their top projects presented throughout the day. Outstanding of the Day and Honorable Mention of the Day are the awards that judges had the opportunity to select. Multiple youth could have been selected within the same project title/area to receive an award, and it is possible some project titles/areas did not have any awards this year. Thank you for being understanding and flexible as we worked through these unusual times this summer!

Outstanding of the Day

| Member Name | Member Club | Project Name |
|-------------------|-------------------------|------------------------------------|
| Abigail Pike | Blazin' Buckeyes | Canning & Freezing |
| Alaina Bell | Carroll Country | Beekeeping |
| Alex Barber | Green Extreme | Measuring Up |
| Andrew Huffman | Extraordinary Explorers | Beekeeping |
| Caden Sweeney | Fairfield Fowl Friends | Basic Archery |
| Chase Hamilton | Wild About Animals | Safe Use of Guns |
| Dominic Woods | Extraordinary Explorers | Science Fun with Kitchen Chemistry |
| Dominic Woods | Extraordinary Explorers | Rockets Away Solid Fuel |
| Elaina Bishop | Clearcreek Showmen | Horseless Horse |
| Gabby Gugliemotto | Rough Riders | On the Cutting Edge |
| Grace Terflinger | Green Extreme | Beginning Fishing |
| Heather Slaby | Baltimore Blue Ribbons | Measuring Up |
