Leaving a Legacy for Generations to Come by Investing in the Leaders of Tomorrow

The Fairfield County 4-H Endowment Fund provides long-term fundraising support to the Fairfield County 4-H Program for members and volunteers participating in activities, clubs, and programs at the local, state and national levels. You can support these efforts by participating in:

- Pickerington Clover’s Endowment Challenge to donate $20.22 in the form of a check to the Fairfield County 4-H Endowment. Due September 9, 2022. Checks can be mailed directly to the Fairfield County 4-H Endowment PO Box.

- Basket Challenge – Your club can put together a themed basket of goodies for the 4-H Endowment Legacy Dinner. The baskets are used for our silent auction held at the event. Baskets and/or unique items would be most appreciated for this effort.

- Endowment Legacy Dinner - Come join the fun at the 2022 4-H Endowment Legacy Dinner slated for Thursday, June 9, 2022. All are welcome and encouraged to share an evening of good food, friends and memorable times. Please contact the OSUE for more information.

- Awareness Breakfast – Join the Endowment Committee for the annual Awareness Breakfast at the Fairfield County Fair. Donations are used to offset the expense of the event.

- Livestock Sale Donation- If you would like to make a donation to the 4-H Endowment through the sale of your 4-H Livestock project(s), please contact your Junior Fair Species Superintendent for the appropriate forms or visit the Junior Fair Office on sale days.

If you would like more information or details about the 4-H Endowment in Fairfield County, please visit and subscribe to our blog page at http://u.osu.edu/4hlegacy.

Make checks payable to Fairfield County Foundation with Fairfield 4-H Fund in the memo line.

Checks should be sent to: Fairfield County 4-H Endowment PO Box 564 Lancaster, OH 43130

Fairfield County 4-H Advisory Committee

This is a committee of 15 advisors and 4 Junior Leaders that work for the benefit of the all 4-H members in Fairfield County. Members are selected each fall (as voted upon by all club advisors) and represent the advisors and clubs from across the county in providing advisory guidance to the 4-H Staff. This committee sponsors numerous countywide fundraising events in an effort to provide opportunities to all county 4-Hers.

Opportunities provided by the Advisory Committee include:
- State and National Trips (most expenses paid)
  - Ohio 4-H Leadership Camp
  - Carving New Ideas Workshop
  - Camp Canopy
  - Citizenship Washington Focus Trip (Washington, D.C.)
  - Shooting Sports Camp
  - Fairfield County 4-H Camps
  - Sea Camp
- Flag sets for all new county 4-H Clubs
- Ohio 4-H Conference sponsorship
- Judges for Summer Judging
- Fairfield County 4-H Advisor pins
- Judging team entry fees
- Judges for Cakes, Pies, Candies and Companion Animals
- Member Handbooks
- Camp Counselor and Adult Staff camp fees
- 4-H Day, Officer Training, Achievement Banquet
Fairfield County 4-H Countywide Fundraisers

The Fairfield County 4-H Advisory Committee hosts the following fundraisers throughout the year to maintain county dues at $5 per member. These funds also provide programming for printed member handbooks, camp counselors fees for camp, summer project judges and more. We appreciate everyone's support in making these successful.

GENERAL 4-H RULES FOR FAIRFIELD COUNTY

THE JUNIOR FAIR RULES BOOK SUPERSEDES THE INFORMATION IN THIS BOOK. Please check the Junior Fair Rules Book to verify rules and check for any ADDITIONAL requirements.

Who Can Join 4-H?

4-H Cloverbud membership begins when a child is enrolled in kindergarten and is age 5 as of January 1st of the current year. Cloverbuds is a non-competitive, activity based program.

Traditional 4-H club membership begins when a child is enrolled in 3rd grade and is age 8 as of January 1st of the current year. Any youth, age 9 or above, is eligible for project membership, regardless of grade level. Membership requires enrollment in an authorized Ohio 4-H Club or group under the direction of an OSU Extension professional or an approved adult volunteer. Cloverbud membership ends December 31st of the year in which an individual attains the age of 19.

Is Dual Enrollment okay?

Eligible youth may be members of both a 4-H club and any other group. When a member belongs to two or more organizations, enrolled projects must be separate and different (also different animals and/or products) in an effort to broaden the member’s experience and learning.

When project selection is a problem, a conference should be held with the member, the teacher or leader involved, the 4-H Extension Educator, the 4-H Advisor, and the parents to discuss the situation and resolve the problem for the benefit of the member involved.

SMALL ENGINES AND TRACTOR MAINTENANCE 4-H CLUB

The Fairfield County Tractor Maintenance Club is offered as a county-wide club to youth interested specifically in engaging in hands-on activities with small engines and tractors. This club organizes in January and holds weekly meetings through mid-March. If you or someone you know would like to join this club, please contact the Extension Office at 740-653-5419 for more information.

4-H Shooting Sports

The Fairfield County 4-H Shooting Sports Program is offered as a county-wide club to youth, age 9 and older, as of January 1st, interested specifically in this project area. Due to safety, club size is limited to ensure a proper advisor/member ratio. This club organizes in December. If you are interested in this type of project experience, call Rob or Stacey Pasternak at 614-834-4437 or email spdingo12@aol.com for more information. Adults are also welcome to inquire about assisting as volunteer advisors with this exciting program. Currently, we have certified instructors available for Archery, Rifle and Shotgun.

General 4-H Project Information

How do I choose a project?
A member should choose a project that s/he is interested in learning more about and one that s/he is committed to completing. Ask friends about their projects and look at projects at the fair. To gather more information, review the Ohio 4-H Family Guide, go to Project Central (www.projectcentral.ohio4h.org), or visit the Extension Office to look at a copy of this guide or review the book.

Project Books include background information, activities and instructions for completing a project. They are designed to be written in and completed. Some projects require a resource book, which is designed to be used for as many years as the project is taken, common with animal projects.

Self-Determined/Master Projects: Do not have specific project books, but provide an outline for members to design their own project.

Multi-Year Projects: Some project books are designed to be used for more than one year. The first section of each book will note if the project is designed for multiple years.

Livestock Record Books: Members taking livestock projects must complete a record book for EACH PROJECT YEAR.

Project Level Descriptions:
- Beginner (B): Designed for members of any age who have little to no experience in the project area.
- Intermediate (I): Designed for members who have previous experience in the project area or have completed the beginner level.
- Advanced (A): Designed for members who have extensive experience in the project area and have completed the intermediate level.
- All Levels (X): Designed for all skill and age levels.

Only offered in Fairfield County: There are a few projects that are available only to members in Fairfield County.
- COP-Animal 220.21: Other Small Creatures (ex. Birds, anything that is not a Reptile or Amphibian)
- COP-Animal: Exotic Fowl (Peacock, Pheasant, anything not listed in 150)
- COP-1002: Pie Baking
- COP-1005: Candy Making
- COP-1880: Alfalfa and Mixed Hay

Note: After enrollment is complete, members must contact the Extension Office to update project information. Enrollment must be submitted by April 15th. Additions can be made through April 22nd by contacting Missy Koenig. Deletions can be submitted at anytime.
**Enrollment Information for 2022**

**ALL** Fairfield County families will be enrolling themselves for their 2021-2022 projects through the updated Ohio 4-H Online (oh.4HOnline.com). Training materials and videos are available at [https://fairfield.osu.edu/program-areas/4-h-youth-development/4-h-online-information](https://fairfield.osu.edu/program-areas/4-h-youth-development/4-h-online-information). If you have questions concerning how to enroll or re-enroll, please contact Missy at 740-277-4631 or koenig.398@osu.edu.

**RETURNING Families:**
1. Your username is the email address where you receive messages from Fairfield County 4-H. If you are unsure contact the Extension Office. Note: 4-HOnline has been updated and you may need to update your password to meet new requirements.
2. Once you are logged in, your home page will display your member list and will include all family members for whom a Member record has been created.
3. To re-enroll a member from a previous year, click “Enroll Now” next to the profile of the appropriate member. You will be asked to update the grade in school and confirm that you want to enroll in 4-H. Select “Enroll”.
4. Select your 4-H Club(s) for this year by choosing the “Select Units” button.
5. Verify that the county is correct at the top of the pop-up window and select the club(s) by selecting “Add” next to the club name.
6. Select your 4-H project(s) for this year by choosing the “Select Projects” button. Then select the projects from the list by clicking the “Add” button next to the project name.
7. Select all of the projects for this year before submitting your enrollment. If you need to make changes to your projects after submitting your enrollment, you will have to contact the Extension Office to request a change.
8. If you are enrolling in projects for more than one club, you will want to verify that you have selected the correct club at the top of the project pop-up window.
9. If you select a horse project, a shooting sports project, livestock project or a dog project, you will be automatically prompted to electronically sign the appropriate project consents for those projects. Type your names in the boxes to affirm your agreement.
10. Cloverbud members in Kindergarten through second grade should select project number 710. Cloverbud horse members should select 710HC.
11. Select the “Show Questions” button and complete the additional member information questions. Complete all of the required fields as indicated and click Next.
12. Affirm that you agree to the Code of Conduct, the General Permission statement, and the Photo Release. Both the member and a parent/guardian names should be typed into the boxes and click on the agreement buttons.
13. Review your enrollment and select submit. Remember, do not hit submit until you are sure that you have selected all of your projects for this year.

---

**Need to make changes?** If you need to make changes before your enrollment is reviewed and accepted by county staff, you will need to contact the Extension Office to request a change.

**Need to Re-Enroll Another Member?** Continue re-enrolling other family members by selecting “Enroll Now” by their profiles and following the same process.

**Need to Enroll a New Member to an Existing Family?** Select the blue “Add member” button at the top and create a new member profile.
NEW Families/Members:
1. Select the option “Don’t have an account?”
2. Select Ohio as your state and then “Ohio 4-H Youth Development”.
3. Select Fairfield county from the drop-down menu.
4. Enter an email address, phone number, and create a password. Passwords must be 10 characters long including an uppercase letter, symbol and number. Note: The email address that you use will be used by all members of your family to log into 4-HOnline in the future.
5. Verify your address by entering your address, city, state, and postal code.
6. Begin building the first member’s profile by choosing “add new member” and selecting “4-H” as the program you would like to join, entering all of the required information including name and birthdate.
7. Select “Next” and continue through the rest of the questions, entering all of the required information including name and birthdate. Select the option “I want to join 4-H as a new or returning member.” Then select “Finish”.
8. Choose the “Select Units” button.
9. Verify that your county is correct at the top of the pop-up window and select your club(s) by clicking “Add” next to the club name. Note: You should only add a club if you have been to a club meeting and met the club advisor. If the club advisor does not know that you are enrolling in that club, you must first contact the club for permission to enroll in it.
10. Choose the “Select Projects” button. Select your project(s) from the list by clicking the “Add” button next to the project name.
11. Select all the projects for this year before continuing with your enrollment. If you need to make changes to your projects after submitting your enrollment you will need to contact your Extension office to request a change.

State Fair:
- July 27-August 7, 2022
- Members are selected for state fair by their participation in summer judging. Criteria is different for each project area and not all projects are eligible for the state fair.

WHAT IS INVOLVED IN INTERVIEW JUDGING?

Interview judging is a discussion between the judge and 4-H member regarding the member's project, the member's learning experience and development and plans for the future. It is a one-on-one discussion. Members do not have to participate in interview judging to complete a project, but it is an excellent way to build skills in interviewing and provides an opportunity to compete for county awards and state fair participation. Listed below are a few statements or questions often used in making the interview meaningful to the 4-H member. These types of statements help a judge find out about the member's knowledge, accomplishments, interests, and challenges with the project.

I. PAST EXPERIENCES & PROJECT SELECTION
   a. What projects have you taken in 4-H?
   b. Why did you select this project this year?
   c. What did you hope to learn from the project?

II. THE PROJECT
   a. Knowledge of project - subject matter - use of project terms.
   b. What went well with the project? What did you do? What did you accomplish?
   c. What problems did you encounter?
   d. What assistance did you have? - 4-H Advisor, Junior Leader, Parents, Friends or Relatives.
   e. Questions related to 4-H project book content.

III. PLANS FOR THE FUTURE
   a. What more would you like to learn in this project area?
   b. What project will you take next year?
   c. What are your other interests?

IV. PERSONAL INFORMATION & KNOWLEDGE OF 4-H
   a. What 4-H activities have you participated in within your club or county?
   b. Leadership experience in local club
   c. Overall knowledge of 4-H
   d. Plans for future - schooling, career, etc.
   e. What was the biggest thing 4-H taught you this year?

V. ADDITIONAL TIPS TO PREPARE FOR JUDGING:
   This is an interview, so 4-Hers will want to keep in mind:
   a. Wear nice clothes (dress pants/slacks, skirts, nice blouses, tops, etc.)
   b. Grooming is essential. (hair, nails, etc. should be presentable)
   c. Shake the judge’s hand
   d. Be polite; use please and thank you
   e. Do not have gum or other food in their mouth!
### Summer Judging Schedule - July 12-14, 2022

Requirements and Fair Resources

Junior Fair Entries will be due August 26, 2022. Please review the Junior Fair Rules Book for specific requirements.

Quality Assurance

Quality Assurance Training is required for all members who will be exhibiting a livestock project at the Fairfield County Fair. This includes the following projects:

- Beef (Breeding & Market)
- Dairy Breeding & Dairy Feeders
- Goats (Dairy, Meat, Market & Pygmy)
- Poultry (Breeding & Market)
- Sheep (Breeding & Market)
- Swine
- Rabbits (Breeding & Market)
- Llamas & Alpacas

Members planning to exhibit at the Ohio State Fair must complete QA by June 1, 2022. Members planning to exhibit at the Fairfield County Fair must complete QA by June 30, 2022. Completion paperwork for member’s QA training is due to the Extension Office July 1, 2022.

Members are required to attend one QA Clinic taught by a certified instructor. Members should sign in at the beginning of the clinic and complete a questionnaire at the end of the clinic. Clinics may be set up at the club level by the Advisor. Two countywide make-up dates for members who missed their club QA Clinic or have not met their requirement for the current year will be held on:

- Saturday, May 7, 2022, 9:00-10:30 a.m. in the Ed Sands/ FB Building, Fairfield County Fairgrounds
- Sunday, May 22, 2022, 12:00-1:30 p.m. in the Ed Sands/ FB Building, Fairfield County Fairgrounds

If members do not attend a club clinic or countywide make-up QA Clinic, they will be ineligible to exhibit and show livestock at the Fairfield County Fair.

Different clinics, meetings, & livestock shows around the state may offer approved QA training. Examples of these types of sessions are: the Ohio Beef Expo, OSUJunior Swine Day, Bi-State Youth Poultry Clinic and other counties countywide QA clinics. For a list of approved QA Training events throughout the state, contact the Extension Office. If a club member chooses to attend one of these sessions, s/he needs to provide the Extension Office with proof of attendance by July 1, 2022.

A member may test-out of the QA requirement by passing a test. Members may test-out when reaching the age of 12-14. Once 15 years old, members may again test-out of QA until s/he completes his/her 4-H career. Test-out dates are April 27-May 1, 2022, by appointment at the Extension Office. If a member does not pass this test, they must attend at least one QA Clinic for 2022.

Livestock Projects

Requirements:

- Complete Project Record book each year.
- Most livestock projects have additional requirements such as possession dates, tagging/identification, weight limits, age, breeds, etc. These requirements can be found in the project descriptions in the Junior Fair Rules Book. Please note that underweight and overweight animals are handled differently for each species.

Drug Use Notification Form (DUNF):

- This form is required for all market animals (not needed for breeding stock, unless lactating).
- Submitted online no earlier than THREE days prior to fair check-in.

Specie Rules:

- Each livestock committee has species specific rules in place at the fair, please refer to the Junior Fair Rules Book for these details.

Skillathons

Dog: Aug. 27, 2022
Beef, Dairy Cattle, Dairy Feeders, Meat Goat, Sheep, Swine: Sept. 10, 2022
Rabbit, Poultry, Horse, Alpaca/Llama, Pygmy & Dairy Goat: Sept. 25, 2022

Skillathons will continue in 2022 as a required portion of project completion for livestock projects and exhibition at the Fairfield County Junior Fair.

Skillathons will be offered for all beef, dairy, goat, poultry, rabbit (except Pet Rabbits), sheep, swine, dog, horse, alpaca/llama projects.

Skillathons may include (but are not limited to) animal anatomy/body parts, breeding and reproduction, feeds and nutrition, current events, diseases and animal health, equipment ID, feed ID, Quality Assurance, breeds, marketing, meats, and recordkeeping.

Youth must complete at least one Skillathon, but may participate in more than one species. If youth wishes to participate in the Premier Exhibitor contest s/he must complete the county Skillathon for that species. For more information refer to Junior Fair Rules Book.

Ohio State Fair Skillathons may be used to fulfill the county requirement, unless youth is participating in Premier Exhibitor.

Livestock Forms can be found on the Fairfield County website under Livestock Information and Resources: https://go.osu.edu/FClivestockresources

This includes: Home Grown Market Rabbit form, Home Grown Market Wether form, Livestock Housing form, Barrow/Lamb/Goat MQP application, Horse forms, Leases

MANDATORY Dog Check-In Day
August 27, 2022 10:00 a.m. - 12:00 p.m.
Feeder Creek Arena, Fairgrounds
Bring license receipt with tag, Dog Project ID Form & Vaccination Certificate.
(You & Your Dog Interviews and PetPALS judging will also be completed for county placement)
County Dog Skillathon will take place on this date.
4-H Club Secretaries

The Fairfield County 4-H Secretary’s Book Annual Contest is proudly sponsored and funded each year by the family of Robert L. Hillman who was a 4-H advisor for many years in Pickaway County. Mr. Hillman believed strongly in teaching and practicing quality record keeping within the structure of the 4-H program. He continued to support his grandchildren, Adam, Milea, and Sarah Maxwell, in their 4-H endeavors in Fairfield County until his death in 2003. To continue his long-standing commitment to the tradition of record keeping and the 4-H program, his family is proud to sponsor this competition in his memory.

When the Secretary’s Book is complete, it should document the activities by its members for one year. It becomes a historical document to be enjoyed for years to come as individuals review it with fondness and memories.

4-H Secretary Book Award Schedule:

★ ★ ★ Three-star book ratings:
First place $100
Second place $75
Third place $50

★ ★ Two-star book ratings:

POLICY
Youth are expected to affiliate with the 4-H program in their county of residence. However, in some circumstances, it is appropriate for a youth to participate in a county other than their county of residence. This can be done with the approval of the 4-H professionals in both the county of residence and the county of request. Once granted, the permission for membership across county lines shall be permanent and stable for the duration of the youth’s 4-H membership. If the youth’s circumstances change (e.g., residence, school, or custody), the cross county lines membership can be reevaluated. This privilege is extended only to those youth who maintain membership in good standing. In order for a request to be considered, there must be a fully-funded 4-H program in both counties. If county financial support for Ohio State University Extension ceases to exist, 4-H membership status already established in that county will end on the date the funding ends (established by Extension Administration). 4-H membership of youth, residing in a county that has lost funding, who have pre-established cross-county line 4-H membership agreements in place will be permitted to continue participation in their non-resident county through December 31 of that 4-H membership year.

PROCEDURES
Ohio State University Extension administers the Ohio 4-H Youth Development program. Our mission is to enable youth to reach their full potential as capable, competent, caring, and contributing citizens. Each county in Ohio conducts the 4-H Youth Development program to accomplish this mission. In order to affirm Ohio State University Extension’s position concerning 4-H cross county lines (and/or cross state lines) membership, the following philosophy and process statements are provided:

1. 4-H membership in two counties (and/or two states) is not permitted.
2. Cross state lines membership has the same considerations as cross county lines membership.
3. When the county of residence does not have a 4-H program (due to financial or other reasons), youth may not join 4-H in another county. Previously approved cross county lines or cross state lines memberships are revoked.
4. In situations where membership in a county other than the county of residence is desired, the 4-H professionals in both counties must be in agreement regarding the application. The agreement, based on their professional judgment in accord with the mission, does not supersede item 3 above.
5. Consideration for membership may not be motivated by perceived competitive or sale advantage in another county, any change due to controversial issues, or other similar motivations.
6. Should families own residences in more than one county, the county of residence is determined by the public school system in which the youth would be enrolled, regardless of actual attendance.
7. Parents, guardians, and youth should become familiar with all policies, procedures, and guidelines for the county in which membership is requested. Some Ohio counties limit participation in the county junior fair to those who reside in the county.
8. Any consideration for membership in a county other than the county of residence, within the limits of this policy and not addressed by the above statements, should be brought to the attention of the Ohio 4-H Youth Development assistant director or associate state leader to identify a course of action in these special situations.
9. The decision to allow or deny cross county lines membership is made by the county 4-H professionals in the county of request and the county of residence, and is fully supported by the state organization.
Why Request 4-H Membership in Another County?
Youth are expected to affiliate with the 4-H program in their county of residence. OSU Extension programs are typically supported at the local level by taxes, so it makes good sense that a child participate in the county program supported with taxes from parents or guardians. However, there are circumstances in which membership in a county other than where one lives is a practical and reasonable request. The request for cross county membership must be made 30 days prior to the 4-H membership enrollment deadline of the county being requested.

Common situations or conditions acceptable for asking such a transfer of membership include:
- The school district in which the child attends is located across two counties. The child’s school friends may therefore be members in a county other than where the child resides.
- The county of residence does not offer the specific 4-H program being sought, such as shooting sports. In such cases, a youth can request membership across the county lines to participate in a program not available in the county of residence.
- The parents of a child are legally separated or no longer married to each other and live in two different counties. A request for membership in the county in which the 4-H project work will be completed is reasonable. Parents may be asked to provide court documentation which verifies custody agreements.

Reasons that are not acceptable for granting a transfer of membership include:
- The Junior Fair Livestock auction prices are typically higher in the other county.
- The parents or guardians of the 4-H members were members of the club in the other county so it is hoped the youth can have membership offering the same family legacy.
- The camp or county fair schedule in the other county better fits the family’s vacation plans.
- The county fair schedule in the other county better fits the youth’s school schedule.
- If animal projects are involved, the animal is housed on someone else’s property in the other county. If this is the case, the 4-H member is encouraged to select an entirely different project. 4-H membership is based on the residence of the child, not the residence of the animal.
- The 4-H member is banned or suspended in the county of residence. Suspended membership is suspension of Ohio 4-H membership, and thus the suspended member is not eligible to transfer membership to another county.

How to Request Cross County Lines Membership
Parents seeking 4-H membership for their child in a county in which they do not reside should complete the Request for 4-H Membership Across County Lines form. It must be submitted to the county Extension 4-H professional in the county of request no later than 30 days prior to their 4-H membership enrollment deadline. That professional then contacts the 4-H professional in the county of residence, discusses the request, and makes a final decision. Please allow 30 days from submission for final notification.

The Winning 4-H Plan
Making 4-H Accessible for Club Members with Disabilities:
OSU Extension Disability Services & 4-H Resource Sheet

Youth with Disabilities

- 4-H welcomes and encourages youth with disabilities to participate.
- Reasonable accommodations will be made for all youth with disabilities.
- The Winning 4-H Plan Request Form (see next page) must be completed and submitted to the 4-H Educator at least 30 days prior to any event requiring accommodations.
- The 4-H Educator will communicate all accommodations to the appropriate personnel.
- This completed accommodation document will be provided to the youth by the 4-H Educator.
- Requests for accommodations are considered on a case-by-case basis to ensure that the accommodation does not fundamentally alter the event or provide a significant advantage or disadvantage to anyone participating.
- Accommodations will be specific to the individual.
- Judges may modify regular judging procedures to accommodate requests and will need to determine that modification would not inhibit the ability of other exhibitors and/or animals in the show.

Common Accommodations

- Typed responses or use of scribe for longer passages in project book
- Help with ________ (ex. reading, writing, math)
- Extra time for ____________ (ex. reading, writing, response answering questions, taking test)
- Rephrase or reword questions as needed for understanding
- Break down tasks/questions to simple instructions
- Directions/questions provided orally
- Hand over hand to perform skill/task
- Reduce the number of questions/items performed
- Use of interpreter (sign language)
- Project books/materials provided in pdf, enlarged print, or other format. Please contact Laura Akgerman (akgerman.4@osu.edu) to request project books in alternate/electronic format
- Use of service animal or seeing eye person when deemed safe (in show ring)
- Change of location to quieter setting for interview/judging/task performance
- Use of device, tool or mechanism that helps the individual perform the task

Fillable form available on the Fairfield County website under Member Resources:
https://fairfield.osu.edu/program-areas/4-h-youth-development/member-resources-and-information

Forms are due at Enrollment (April 15th)

Service Animals

Only dogs or mini horses are “service animals” and protected by the ADA.

Emotional support or therapy animals are different, not protected under the ADA, and may still be appropriate in 4-H settings.

The handler must have control over the dog at all times, must clean up after the dog, and is responsible for the dog’s behavior. The handler/owner of a bad tempered or misbehaving service dog is responsible if the dog bites or harms someone.

The Americans with Disabilities Act (ADA)

The ADA requires Ohio State Extension to make all aspects of 4-H, including programming, projects, facilities and activities, accessible to people with disabilities.

Access and inclusion are created through a combination of creating accessible programming, events, interactions and spaces, with a goal of allowing the individual maximum independence, and minimal intervention from others (Advisors and Educators). The learning and experiences that a club member gains through 4-H are as/more important than a “perfect” final project, or a blue ribbon at the fair.

Creating access is more than ensuring the club member can attend the fair, it includes choosing an appropriate project, holding meetings and activities in accessible spaces, and including all club members in all activities.
Entries for the 2022 Fairfield County Jr. Fair Goat, Barrow, and Lamb MQP programs are now being accepted. This year all MQP entries will be accepted on-line.

To be considered for a spot any of these programs, a completed application must be received in the Extension office by the end of business on May 2, 2022. As in the past, the Barrow and Lamb MQP applications will also include submitting and essay.

Barrows will be harvested and processed at Bay Packing in Fairfield County. In order to accommodate such a large harvest and process the pork in a timely fashion, participants or those who have purchased the freezer pork from the participants, must agree to pick up their fresh/frozen pork prior to the Fair at a time to be announced. Cured product, such as bacon or ham, will be available for pick-up at a time yet to be determined after the fair.

Lambs will also be harvested at Bay Packing. Likewise with the freezer pork, in order to be able to accommodate such a large harvest and process the lamb in a timely fashion, participants or those who have purchased the freezer lamb from the participants must agree to pick up their fresh/frozen lamb prior to the Fair at a time yet to be announced.

The Goat MQP program will conclude with harvest at Bay Packing in late August. Similar to the barrow and lamb programs, the processed goats must be picked up at Bay Packing in a timely fashion after processing is complete.

The application process being required that includes an essay for the Barrow and Lamb MQP projects is intended to allow the Show Committees the opportunity to clearly communicate in a timely fashion to participants where they rank on the participant list. The subjective and age-appropriate evaluation of the Barrow and Lamb MQP essays by several ‘judges’ will serve as the basis for that ranking that will be completed and announced by May 15 or as soon as possible.

The Fairfield County’s Barrow, Lamb, and Goat MQP programs will operate under the following guidelines:

1. Applications for the 2022 Barrow, Lamb, Goat MQP program must be received through the on-line portal by 4:00 p.m. on May 2, 2022. The online application links are available on the Fairfield County OSU Extension website under livestock forms (go.osu.edu/FClivestockresources).

2. When submitting the barrow and lamb applications, an essay, not to exceed 300 words, must be uploaded through the portal. This year, Goat MQP participants are not being asked for an essay. The title of the barrow and lamb essays is to be, "Why I want to participate in a livestock project that’s focused on producing high quality pork/lamb that meets the consumer’s demand."

3. The essays will be scored and ranked by an independent panel of judges. Only the author’s age, not their name, will be revealed to the judges. Barrow and lamb applicants will receive notice by May 15th or as soon as possible of their ranking on the participants list. It’s intended that all Goat MQP applicants that apply will be accepted into the program.

4. If a participant must withdraw from the program, he/she must agree to notify the OSU Extension office immediately in order that participants that may be ranked below them may be moved up on the list.
5. MQP goats must be in the exhibitor’s possession by June 1, 2022 and will be weighed/tagged in at the Fairgrounds on June 4, 2022 from 8:00-9:00 a.m.. The live MQP goats must be delivered to the Fairgrounds for the conclusion on Sunday, August 28, 3:00-5:00 p.m.

6. MQP barrows must be in the exhibitor’s possession by July 15th, and tagged at the Fairgrounds on July 16, 2022 from 7:00 am-12 noon. The live MQP barrows must be delivered to the Fairgrounds for the conclusion on Sunday, September 25th, between 1:00 and 2:00 p.m.

7. MQP lambs must be brought to the Fairgrounds for tagging and weighing on July 16th, and the live MQP lambs must be delivered to the Fairgrounds for the conclusion on Sunday, October 2nd, between 12:30 and 1:00 p.m.

8. Freezer goat, pork lamb cutting/processing sheets must be submitted when the animals are delivered to the Fairgrounds for the conclusion of their respective contest. These sheets will made available to exhibitors in advance.

9. Immediately following delivery on their respective dates and following any the live evaluations that may occur, the Show Committees will transport the animals to Bay Packing for harvest on the following morning.

10. Carcass data for each contest will be collected at Bay’s and the scoring of the contests will be conducted under the direction of OSU specialists or their designees.

11. The fresh frozen freezer goat, pork and lamb must be picked up at times to be determined. The fresh pork cuts will likely be available prior to the Fair, and smoked/cured pork product will be available after the Fair.

12. A concluding educational program where the placings will be announced will be scheduled at a times and places yet to be determined.

We are privileged to have a local packing house such as Bay Packing who is willing and able to help facilitate the Fairfield County MQP programs by harvesting and processing up to 30 barrows and 25 goats and lambs. We also appreciate the effort of faculty and students in the OSU Animal Science Department who are willing to help score and facilitate this unique program.

If you have any questions, please feel free to contact the OSU Extension office, Goat MQP Superintendent Nathan Crook, Barrow MQP Show Superintendent Bryan Black, or Lamb MQP Show Superintendent Kris Doyle.

Please note, if there is additional information that you feel Aubry Fowler, Camp Director, should know prior to cabin placement, please email her at Fowler.443@osu.edu. It is helpful to us during placement to know of any concerns your 4-Her has, including but not limited to: preferred counselor, another camper they do not get along with, school or club mates they want to be with, etc.

Bertha Wilson Campership Information

Who was Bertha Wilson?
Bertha Wilson was a sincere person who was concerned with helping others. She was at the very young age of 15 when the Great Depression hit in 1929. With hard times upon our country, jobs and money were hard to find. Bertha knew the importance of education and did very well in high school. When there was no electric in her family’s house, she used kerosene to light her study. Her journey through life landed her in a course learning stenography and eventually she was hired by the Bureau of Unemployment. Through over twenty years of service Bertha found jobs for more people than anyone else in Lancaster. She was frugal with her money but was very generous in giving to her church. In her later years, Bertha set up a trust for people who had very little. Through the memory of Bertha, and her generosity, a scholarship was set up to help 4-Hers with camp costs.

What is the Bertha Wilson Camp Campership?
For 2022, the Bertha Wilson Trust has again decided to sponsor every Junior, Intermediate, Cloverbud, and Day camper with a 1/2 price campership if they register by June 1st!

How do I get the campership in 2022?
Complete your camp registration with payment BY JUNE 1st. If financial need is a concern, contact Aubry (Fowler.443@osu.edu) to discuss full campership options.

What is the 4-H Lingo?

“What is the 4-H Lingo?”, Developed by Patty House, Extension Educator, Clark County 4-H Youth Development

4-H is not a foreign language, but for many new 4-H families the “4-H Lingo” may seem like one. Common abbreviations for the seasoned 4-H families can leave new ones mystified. The spectrum of 4-H opportunities is endless and knowing where to begin can be your family’s ticket to a positive and rewarding 4-H experience.

Achievement Awards - 4-H members may apply for local Jr. and Sr. Achievement Awards. The Achievement Award applications are posted at www.ohio4h.org. 4-H’ers age 14-18 as of January 1st, may also apply for one of over twenty State Achievement Project Awards as well as the opportunity to serve on State Junior Fair Board and/or attend a variety of State and National Conferences. Applications are due in January.

Camp - Members enjoy outdoor fun and adventure while learning and making new friends at one of Ohio’s fourteen 4-H Camps. Camping opportunities are available for Cloverbuds, members and teens with some focused in a particular project area. Teens serve as camp counselors developing leadership and group dynamic skills.

Community Clubs - 4-H clubs must meet the Ohio 4-H Chartering requirements by April 2007 to use the 4-H name and emblem. A club must have a minimum of five members led by a 4-H volunteer(s) in a safe and welcoming environment with members participating in a series of experiential learning experiences.

Cloverbuds - 4-H members age 5 and in Kindergarten through 2nd grade or until they reach the age and grade requirements for 4-H project membership. Cloverbuds participate in cooperative activities. They may not enroll in 4-H projects.

Code of Conduct - The 4-H program expects members to model positive behavior at all sponsored events, activities, camps, contests including club meetings and Jr. Fair participation. Good sportsmanship and ethical decisions are principles valued by the 4-H organization.

Community Service - Giving back to one’s community through service helps 4-H’ers carry out their pledge “to larger service.” Service begins in your club, but can extend into county, regional, state, national and global efforts.

Drug Use Notification Form (DUNF) - This form indicates your project animal has met all drug withdrawal periods at time of exhibition. The Ohio Department of Agriculture (ODA) requires this form for exhibition of market beef, market hogs, market lambs, market goats, turkeys, meat chickens, meat rabbits, lactating dairy goats or dairy cows. One per animal/pen.

Enrollment - Children must enroll with a 4-H club and a project(s) by the county’s 4-H enrollment deadline to be eligible for full county 4-H opportunities including Fair participation.

EquiSTEP (Horse Safety Program) - 4-H horse project members and their parent/guardian must complete this program before being eligible to participate in the 4-H Horse Program. In addition, each member and his/her parent/guardian must annually sign the Permission to Participate in Ohio 4-H Horse Activities Form during enrollment in 4-H Online.

Exchange Programs - Participate in a great cultural experience within Ohio, the U.S. borders or abroad. Host an international participant or travel abroad yourself.

Experiential Learning - Simply put is Learning by Doing the 4-H Way through hands-on and mind-on projects, programs, and experiences. Members DO activities, QUESTION results, CONNECT to self and others, and USE experiences in daily life.

Extension Educator - OSU Extension 4-H Youth Development professional(s) give leadership to the development, implementation, and evaluation of the county 4-H program. These individuals manage, teach, facilitate, mediate, mentor, plan and deliver positive youth development programs through a variety of delivery methods.

Fair - Members may exhibit projects at the county fair. Fair exhibition is not a requirement for project completion, but a showcase for a member’s 4-H project work and experiences. Teens may serve as Junior Fair Board members assisting with planning, conducting and evaluation of events, contests, and activities.

Family Guide - A booklet that lists all the 4-H projects including a brief project description, age guidelines, skill level and State Fair eligibility.

Fashion Review/Style Show - Clothing project members model the outfit sewn and/or purchased through their clothing project experience. The outfit must include garment(s) sewn and/or purchased and selected accessories for a total look outfit.

4-H Foundation - Established at The Ohio State University to accept contributions to benefit the educational efforts of the State and County 4-H programs. You may designate gifts to the State 4-H or a specific County 4-H Endowment.

Livestock Quality Assurance (QA) - Quality Assurance (QA) is an annual program required for members exhibiting market and lactating project animals by the Ohio Department of Agriculture. Members can meet this requirement by attending a one hour+ quality assurance program focusing on the 10 Good Production Practices.
**Newsletter** - The county 4-H newsletter contains information about upcoming 4-H events and opportunities in the county. A new issue is available bi-monthly or seasonally. It is emailed and shared on the Extension office website and in the 4-H App, for access by all 4-H families and volunteers.

**Ohio Department of Agriculture (ODA)** - The Ohio Department of Agriculture is a regulatory agency that establishes and enforces policy regarding Livestock Quality Assurance, animal health rules for Fair exhibition, and food safety procedures to protect Ohio producers and consumers. [http://www.ohioagriculture.gov/](http://www.ohioagriculture.gov/)

**Officers** - Members lead the club through holding office and chairing and serving on committees. 4-H officers include: President, Vice President, Secretary, Treasurer, Historian, News Reporter, Recreation Leader, Safety Officer, Health Officer, Environmental Officer and Community Service Leader.

**Performance Against Standards (PAS)** - Horse project members may choose to participate in Performance Against Standards (PAS) Show(s) to qualify to participate in the State Fair Horse Show. A member may show in a maximum of four classes and must qualify in two classes to show at the State Fair. Members that qualify in more than two classes must select the two classes they intend to show in at the State Fair.

**Permission Forms** - 4-H will ask members, participating in camps, overnight trips, and high-risk activities, and their parent/guardian to read, sign and submit permission forms (permission slips, informed consents, and waivers). These forms help inform about potential risks.

**Project** - 4-H members enroll in projects to explore a topic or interest area through hands-on activities, sequential learning experiences, goal setting and evaluation. 4-H’ers keep records and documentation of project experiences in a Project Book.

**Project Judging** - Evaluation of a project member’s knowledge through an interview with an adult judge, review of project book records, and exhibit of a project item and/or educational display.

**Project Requirements** - Outlines the possession dates, deadlines, project judging/skill-a-thon guidelines, resources, fair rules, judging dates, county and beyond county opportunities and much more. The format and delivery will vary between counties.

**Public Speaking** - Members may prepare a demonstration, speech, or skit to deliver at the club, county, regional or state level to enhance oral presentation skills. Contest opportunities include: Health & Safety, Horse and General Demonstrations.

**Scholarships** - Members that are high school seniors and college students may apply for county and/or state 4-H scholarships to assist with their future career education goals.

**Shooting Sports** - The Ohio 4-H Shooting Sports program teaches young people the safe and responsible use of shooting sports equipment, including the fundamentals of firing air guns, .22 caliber and muzzle loading rifles, pistols, shotguns, archery equipment, and crossbows; the basic principles of hunting; and the value of studying historic lifestyles and heritage crafts. The 4-H Shooting Sports program is only administered through Ohio 4-H certified shooting sports instructors, and members may only take shooting sports projects if their instructor has been certified in that specific discipline.

**Skillathon** - Evaluation of livestock, horse, and dog member’s project knowledge through participating in hands-on skill stations that allow the member to apply knowledge/skill to real word situations. The skillathon is part of the evaluation process which also includes talking to a judge and submitting the 4-H project book for review.

**State Fair Selection and Alternates** - Member(s) selected to represent the county at the Ohio State Fair for a given non-livestock project or project area. Counties may select one member per project or State Fair class to participate. To be eligible, 4-H’ers must participate in the county project judging day.

**Tag-In, Weigh-In Day** - Date required to tag-in, weigh-in and/or identify your project animal for Junior Fair participation. There is one opportunity to do this. Check the 4-H calendar for the date, time, and location.

**Teen Opportunities** - Teens may serve as junior leaders within a club as officers and peer mentors and at the county level as members of Teen Leadership Committees, Jr. Fair Boards, Food and Nutrition Committees, Fashion Boards, Advisory Committees, and Camp Counselors.

**Volunteer or Club Advisor** - Dedicated, enthusiastic, caring adults that have completed a selection, screening, and orientation process by OSU Extension. The current Ohio 4-H Volunteer Selection process includes a written application, reference checks, BCI background check, interview with Extension Educator and volunteer orientation.

**Volunteer Standards of Behavior** - Volunteering in 4-H is a privilege not a right. Approved volunteers agree to commit to the OSU Extension program, follow all policies and to adhere to a set of standards that ensure the safety and well-being of program participants. Violations of the standards can result in suspension or termination.
