

# Tomato Tasting...is back!!

Join us to explore the  
tastes of some of Fairfield  
County's finest tomatoes.

Do you have a favorite tomato variety? Want to learn more about why your tomato vines begin to die overnight? Do you have questions about tomato growing or preserving? Help select the Fairfield County Master Gardener's favorite!!

### DID YOU KNOW?

According to the U.S. Department of Agriculture, Americans eat between 22- 24 pounds of tomatoes per person, per year. (More than half of those munchies are ketchup and tomato sauce.)
