Aromatic Aster (<i>Symphyotrichum oblongifolium</i>) Raydon's Favorite (Record-as "Other" on electronic data sheet)	

Record the number of insect visitors during the 2-minute period:

Use hash marks to keep track of visitors to your quadrat for two minutes in the **Number of Visitors** column. At the end of the 2 minutes, write the total number of each insect type you saw in the **Final Count** column. You will upload the final counts online.

Insect Type	Number of Visitors	Final Count
(Example) Butterfly / Moth	#### III	8
Butterfly / Moth		
Bee		
Wasp		
Fly		
Others		
TOTAL		

Record the number of open blooms within the quadrat:

Number of Blooms	
------------------	--
