Quality Assurance Training, Drug Use Notification Forms, Project/Record Books, Skillathons

Quality Assurance Training

Exhibitors that are enrolled in following areas (breeding and market) are required to participate in an annual Quality Assurance (QA) Training: Dairy, Beef, Swine, Sheep, Dairy Goats, Meat/Market Goats, Pygmy Goats, Rabbits (not including pet rabbits), and Poultry.

Junior Fair Exhibitors must complete the Quality Assurance requirement by June 30th of the current year (all documentation from Club/Chapter QA clinics is due to the OSU Extension Office by June 30th).

For youth who wish to exhibit livestock in the Junior Division of the Ohio State Fair, they should have Quality Assurance completed by June 1st of the current year.

4-H Clubs and FFA Chapters have the opportunity to host their own Quality Assurance Clinic. Club/Chapter QA clinics must be taught by trained and certified assistant instructors (for a complete list of Fairfield County Certified QA Assistant Instructors, contact the OSU Extension Office). Members are required to attend one Quality Assurance Clinic taught by a Certified Assistant Instructor. QA clinics can be set up at the club or chapter level by the advisor.

If a Junior Fair exhibitor's club/chapter does not host a QA clinic or they miss their Club/Chapter QA clinic there will be two countywide makeup dates for exhibitors. These makeup dates are Thursday, May 2nd, 2024, from 6:30-8:30 p.m. and Saturday, May 18th from 9:00-10:30 a.m. at the **Fairfield County Ag Center/OSU Extension Office**.

Exhibitors also have the option of attending approved out-of-county events to meet this requirement. There are opportunities at different clinics, meetings, and livestock shows around the state that offer approved Quality Assurance Trainings. Examples of these types of sessions that would fulfill an exhibitor's Quality Assurance requirements are: The Ohio Beef Expo, Junior Swine Day, Youth Poultry Clinic and other counties countywide Quality Assurance Clinics. For a list of approved QA training events throughout the state, contact the OSU Extension Office. If a club member chooses to attend one of these types of sessions, they need to provide the OSU Extension office with proof of attendance by June 30th so accurate records will be available for verification if necessary.

Additionally, youth can complete this requirement online through the Youth for Quality Care of Animals (YQCA) Program. This is the ONLY approved ONLINE Quality Assurance Program for youth in Ohio. Go to <https://yqcaprogram.org> for the training and quiz. Exhibitors must complete this option by June 30th of the current year. There is a cost of \$12 per member per year for this training. When complete, members should email their completed YQCA certificate to cooksey.25@osu.edu for documentation by June 30th.

When an exhibitor attends a Club/Chapter QA clinic, he or she has met the QA requirement to exhibit at the fair in all species listed above for the current year. (So, if Chris Clover is taking Beef, Dairy, and Market Goats, he only needs to attend one QA clinic). If exhibitors do not attend an approved QA clinic, they will be ineligible to show at the Fairfield County Junior Fair that year.

A valid and current Drug Use Notification Form (DUNF) must be submitted online immediately prior to the Fairfield County Fair for each market or lactating animal that is exhibited by a youth participating in Junior Fair. Forms should be completed no sooner than 5 days prior to animal weigh-in/check-in to be sure that their animal is drug free during the fair. Forms submitted prior to that timeframe will be deleted and exhibitors will be asked to resubmit the DUNF form closer to their animal's weigh-in.
