The OSU Extension Office and the Junior & Senior Fair Boards will work with the parents & the child to provide necessary accommodations.

Should the child need specialized assistance (ex: language interpretation), the parents will be asked to assist in procuring it. Each request will be handled individually and every effort will be made to accommodate the child's special need in order to make their 4-H/FFA experience as beneficial as possible. Should the child need accommodations at club meetings, the OSU Extension Office and the club advisors will work with the parents to facilitate a workable solution.

The Junior Fair director, in consultation with assistant Junior Fair director and show committee, will research the case based upon the provided information. The decision will be provided in writing by 8 a.m. the following day.

1. If a protest of the Junior Fair Director's decision is desired, it must be filed in writing, signed by the party or parties making protest, and filed with the Senior Fair Board Office within four hours after the 8 a.m. decision by the Junior Fair Director, accompanied by a protest fee of \$100.00 cash.

Rules Violation

When satisfactory evidence has been obtained that any of the rules have been violated, the exhibitor and/ or exhibitor's family will be barred from showing in any future agricultural fairs for a period of 1 to 5 years. The minimum number of years for a livestock disbarment and the right to a review is three years. In the case any premium has been awarded to animals shown in violation of this rule, the Sr. Fair Board will require the exhibitor to refund all premiums, trophies, awards, ribbons, and sale money under each violation. Unless fraud and/or deception are involved, all championship placings stand.

JUNIOR LIVESTOCK TAMPERING and/or MISREPRESENTATION

1. Any tampering or misrepresentation as to breeding, age, ownership, custody and any other irregularity in showing will be considered fraud and deception.

2. To maintain a high degree of confidence and integrity in the livestock shows, the Agricultural Society reserves the right to disqualify any animal fitted in an unethical manner and to disqualify the exhibitor and the exhibitor's assistants who fitted the animals involved.

Unethical fitting shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development, dyeing or coloring hair, adding artificial tail-heads, switches, polls, hair and heels, as well as any attempt to change the conformation and degree of firmness, by administration of fluids or air internally or externally in a liquid, solid or gaseous state. Only transparent grooming materials may be used.

3. The Use of Clenbuterol and other unapproved drugs is prohibited.

4. All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing of an animal will be barred from exhibiting or showing at this fair and will forfeit all premiums, prize money and awards won in any junior fair and/or open class divisions.

Should fraud or deception, and proof, as determined by the Agricultural Society, be discovered after the animal or animals have been shown and prior to the sale, such animal(s) shall not be permitted to sell. The animals placing next in line at the show shall move up.

Should violation be discovered after the sale, all sale money shall be returned to the buyer and the animal, carcass or carcass value shall be returned to the exhibitor. 5. The Fairfield County Senior Fair Board shall have the right to require any suspected animal to be subject to examinations or tests prescribed by the fair officials to determine if a substance has been administered to the animal to change the conformation or temperament of the animal. The

1. NO Exhibitor shall enter an animal in competition in the Junior Division of the Fairfield County Fair that has been handled, fitted, groomed, shown, or exhibited at any time during the Fairfield County Fair by another person except a member of the exhibitor's immediate family or other junior exhibitor. CODE OF PRACTICES

The following describes general responsibilities of the exhibitor and all persons in their authority, in the proper care and handling of animals raised for food and fiber:

1. To provide food, water and care necessary to protect the health and welfare of my animals.

2. To provide a safe and healthy environment for my animals, that is clean, well ventilated and provides ample space.

3. To provide a well planned disease prevention program to protect the health of my herd or flock. This includes a strong veterinarian/client relationship.

4. To use humane and sanitary methods when it is necessary to dispose of my animals.

5. To make timely inspections of all animals to evaluate the health and ensure that all basic requirements are being met.

6. To ensure proper handling techniques are used to eliminate any undue stress or injury when manual manipulation is necessary.

7. To provide transportation for my animals that avoids undue stress or injury caused by overcrowding, excessive time in transit or improper handling when loading or unloading.

8. The willful mistreatment of my animals or the mistreatment of any animal will not be tolerated. In cases of mistreatment, the proper authorities will be notified.

9. To make management decisions based on scientific fact and to consider the welfare of

the animals.

SPECIAL 4-H RULES

1. Unless excused by the 4-H Club Advisor, 4-H members must attend at least 6 of 8, or 3/4, of the 4-H Club meetings during a single project year in order to exhibit at the fair and to receive a completed grade in their project.

2. A minimum of 5 members from 3 different families are required to constitute a traditional 4-H Club. 3 members are required to constitute a Cloverbud Club.

3. Project books are required of all members, unless they already possess a current book from a previous year.

4. Ohio State University Extension administers the 4-H Youth Development Education Program whose mission is to develop youth to reach their fullest potential as capable, competent, caring, and contributing citizens. Each county in Ohio conducts the 4-H Youth Development Program to accomplish this goal. In order to affirm OSU Extension's position concerning cross county (or cross state line) 4-H membership and to establish guidelines in this area to fulfill the above mission, the following philosophy and process statements are provided.

A) Youth are expected to affiliate with the program in their county of residence.

B) 4-H membership in two counties simultaneously is not possible.

C) Cross state line membership will be considered the same as for cross county participation.

D) It is recognized that limited situations may occur where membership in a county other than the county of residence might be positive. The Extension Educators in both counties must be in agreement that the change should occur. This should be based on their judgment in accord with the opening paragraph of this policy.

E) Consideration for membership in a county other than the county of residence should be given only in situations where a positive educational experience will result. Any change motivated by perceived competitive or sale advantage, any change due to controversial issues, or other similar motivations will not be seen as justified reasons for consideration of membership in a county other than the county of residence, and should be automatically rejected by the Extension Educators involved.

F) Any consideration for membership in a county other than the county of residence, within the limits of this policy and not addressed by the above statements should be brought to the attention of the OSU County Extension Director, and Regional Director, by the County 4-H Educator. This support team will then provide leadership for decisions in these special situations.

G) A youth desiring membership in a cross county (or cross state) line must submit a "Cross County Line" Form (available from the OSU Extension Office) to the 4-H Educator for approval.

5. Eligible youth may be members of both a 4-H club and any other group. When a member belongs to two or more organizations, projects carried, in all cases, must be separate and different (also different animals and/or products) in an effort to broaden the member's experience and learning.

The following examples will be considered separate and different projects: Cows, Heifers;

SPECIAL 4-H RULES CONTINUED...

Sheep Breeding, Market Lambs; etc. When project selection is a problem, see 4-H Educator for

procedure.

6. To complete a project requires that all the above rules (1-5) must be followed and that the advisor be satisfied with the project. Anything less

than this should be considered incomplete. Exhibition is an option beyond completion.

REQUIRED ACTIVITIES FOR SPECIES

Exhibitors must complete ALL activities for every specie!

Quality Assurance Training

GENERAL RULES

Exhibitors that are enrolled in following areas (breeding and market) are required to participate in a Quality Assurance (QA) Training: Dairy, Beef, Swine, Sheep, Dairy/Angora Goats, Meat/Market Goats, Pygmy Goats, Rabbits (not including Pet Rabbits), and Poultry.

Clubs and Chapters have the opportunity to host their own Quality Assurance Clinic. Club/Chapter QA Clinics must be taught by trained and certified instructors (for a complete list of Fairfield County Certified QA Assistant Instructors, contact the OSU Extension Office). Members are required to attend one Quality Assurance Clinic taught by a certified assistant instructor. Clinics may be set up at the club or chapter level by the Advisor. For additional Clinic options contact the OSU Extension Office. Junior Fair Exhibitors must complete the Quality Assurance requirement by June 30th, 2016 (all documentation from Club/Chapter QA Clinics is due to the OSU Extension Office on June 30th). If a Junior Fair exhibitor's club or chapter does not host a QA Clinic or they miss their Club/Chapter QA Clinic, there will be two countywide make-up dates for exhibitors. These make-up dates are Sunday, May 1st from 2:00 - 4:00 p.m. and Saturday, May 21st from 9:30 - 11:30 a.m. at the Fairfield County Fairgrounds. When an exhibitor attends one Club/Chapter QA Clinic, s/he has met the QA requirement to exhibit at the fair in all species listed above. (So, if Chris Clover is taking Beef, Dairy, and Market Goats, he only needs to attend one QA Clinic). Exhibitors will be asked to mark all species they plan to exhibit to the County Fair when completing their documentation form at the conclusion of the Club/Chapter/Countywide Make-up QA Clinic. Exhibitors also have the option of attending approved out-of-county events (see below) to meet this requirement. If exhibitors do not attend an approved QA Clinic, they will be ineligible to show at the Fairfield County Junior Fair that year.

Quality Assurance Test-Out Dates

Once again, there will be an opportunity for any Fairfield County youth who are ages 12-14 and 15-18 (as of January 1st, 2016) to test-out of Quality Assurance. All youth must complete at least one Quality Assurance Clinic prior to taking the test. A youth may test-out when reaching the age of 12 - 14, but must again complete a Quality Assurance Clinic when reaching the age of 15. Once 15 years old, youth may again test-out of Quality Assurance until s/he complete their 4-H/FFA career. Test dates are April 11th through April 15th by appointment at the Ag Center. Please contact the OSU Extension Office for questions and to setup an appointment.

Additional Quality Assurance Training Options

There are opportunities at different clinics, meetings, and livestock shows around the state that offer acceptable Quality Assurance Training. Examples of these types of sessions that would fulfill an exhibitor's Quality Assurance requirements are: The Ohio Beef Expo, designated Ohio Cattlemen's Association BEST Shows, and other counties countywide Quality Assurance Clinics. If a club member chooses to attend one of these types of sessions, they need to provide the OSU Extension Office with proof of attendance so accurate records will be available for verification if necessary. If you would like more information about alternative sessions, please contact the OSU Extension Office. (The majority of these opportunities are February through April, so the are before our dates!)

Premier Exhibitor

If an exhibitor is interested in competing for Premier Exhibitor, s/he must take a "Premier Exhibitor Test." The test will be no more than 50 questions and will be objective (multiple choice, true/false—NO short answer). Date options to complete this test are (all locations at the fairgrounds): May 1st from 3:00 - 4:30 p.m., May 21st from 10:30 a.m. - 12:00 p.m., August 28th from 1:00 - 3:00 p.m.

An exhibitor must take a test in ALL species s/he wishes to compete for Premier Exhibitor. If the exhibitor does not take the specie-related test, s/he will be ineligible for Premier Exhibitor in that specie. An exhibitor can take the test only once per species each year (either the early May, late May, or August date). If an exhibitor is found with a book during the test or caught cheating on the test, s/he will receive no points for the testing option for Premier Exhibitor for that particular specie and will not have an option of re-taking the test. Q.A. requirements must be met to qualify for Premier Exhibitor Award.

Project Books

Exhibitors are required to complete a 4-H project/FFA record book each year. Project books are to be checked by club/chapter advisors on an annual basis. If an exhibitor does not complete a project book and turn it into the advisor prior to the fair, s/he will be ineligible to receive a premium for that specie at the county fair for that year. It is the advisor's responsibility to notify the entry department of this ineligibility.

Dog Check-In Day

Dog Exhibitors are required to attend Check-In Day **Saturday, August 27th from 11:00 a.m. - 2:00 p.m.** at the Fairgrounds Feeder Creek Vet Show Arena. Exhibitors are required to bring 2016 Ohio State Fair Dog Project Identification Form and Vaccination Certificate, (signed by a licensed, accredited veterinarian), License Registration Paper, and dog they plan to show at the fair. This will be a day to check-in all required paperwork, practice going through the show rings, an opportunity to ask questions, and will certify entries. Vaccinations are to be given by July 1st of the current year. Anyone who cannot be in attendance on this date must fill out the required waiver and complete an approved activity to be eligible to exhibit a dog. This waiver is available from an FFA Advisor, online at the Fairfield County OSU Extension webpage (<http://fairfield.osu.edu>), or from the Fairfield County OSU Extension Office. The approved options include: Showing the dog at the Ohio State Fair and went through the veterinarian check for registration, or taking the dog to the veterinarian for a check-up in the month of August (paperwork of appointment, copy of license receipt, and tag must be submitted along with the form). Members participating in one of the alternative events/activities listed above must have the waiver form turned in or postmarked to the OSU Extension Office by 4:00 p.m. **on Friday, August 26th.**

Horse Clinic GENERAL RULES

Exhibitors that are enrolled in Horse projects are required to participate in the **Mandatory Horse Clinic** held on **Sunday, August 28th** at the Fairfield County Fairgrounds at 1:00 p.m. Anyone who cannot be in attendance on August 28th must fill out the required waiver and complete an approved alternative event/activity to be eligible to exhibit a Junior Fair Horse project. This waiver is available from an FFA Advisor, online at the Fairfield County OSU Extension webpage (<http://fairfield.osu.edu>), or from the Fairfield County Extension Office.

The approved alternative options include: State Fair Skill-a-Thon (held sometime in July/August); Demonstration Contest (on the particular specie) (held in July); Public Health & Safety Speaking contest (on the particular specie) (held in June); FFA Advisor Approved Event (held at a state or local FFA event); State Horse Hippology Contest (held in June); State Horse Bowl Contest (held in Spring), Spring Horse Clinic (held in April).

Members participating in one of the alternative events/activities listed above need to have their advisor postmark or turn in their waiver form to the OSU Extension Office by **4:00 p.m.** the Friday (**August 26**) prior to the Clinic. If the Horse Clinic is missed on **August 28**, and a waiver is not postmarked or turned in by **4:00 p.m.** the Friday prior to the Horse Clinic (**August 28**), the exhibitor must contact the OSU Extension Office by **August 26 at 4:00 p.m.** for another possible alternative option. This option is taking a 100 question exam. Note: **ONLY EXTENUATING CIRCUMSTANCES** (i.e. death in the family, automobile accident, etc.) **WILL BE CONSIDERED**. Excuses are determined by the Junior Fair Director, Assistant Junior Fair Director, 4-H Educator, and an FFA Advisor. Anyone not meeting these requirements by **August 28** will be ineligible to exhibit at the current year's fair. For more information regarding specific dates of Horse Clinic alternative approved activities/events, refer to OSU Extension's website, 4-H Advisor's Redbook, or contact your FFA Advisor.

Dairy Feeder Special Rules

1. All dairy feeders must be completely and fully owned (as evidenced by bill of sale) and in the complete possession and continual care of the exhibitor on & after July 1. **NO LEASING OF ANIMALS PERMITTED.**
2. Each Junior Fair exhibitor wishing to exhibit a dairy feeder must have their animal(s) tagged at the summer tagging/weigh-in at the fairgrounds. Each dairy feeder will have two tags after tagging. **If the dairy feeder has an EID/RFID tag, this tag will count as one of their two tags and the identification number will be recorded. A second livestock tag will be issued at weigh-in for second identification. For dairy feeders that do not have an EID/RFID tag, they will be issued two livestock tags at weigh-in. Both numbers will be recorded for two methods of identification.** If a dairy feeder loses any ear tag, it must be reported immediately to the Dairy Superintendent or OSU Extension Office. Any feeder that fails to report a lost ear tag and subsequently loses its second ear tag, **WILL NOT** be eligible for show.
3. Dairy feeder calves showing evidence of testicular tissue are not eligible to be shown or sold. Tissue must be healed and no evidence of tissue.

4. Dairy feeder calves weighing less than 300 or more than 700 pounds at October weigh-in will be shown in the same class for grade only, will all receive B grades, and will be disqualified from the rate of gain contest. Exhibitors with an under or over weight feeder are still eligible for showmanship. Sale eligibility will be at the discretion of the feedlot (packer) bidder. **There will be no re-weighs at fair weigh-in.**
5. Exhibitors are not required to wear white. No show sticks.
6. All dairy feeder calves must be hornless and healed. Scurs must be no larger than an inch.
7. Dairy feeder calves must be totally dairy breeding and show dairy characteristics and color.
8. The number of heats for the dairy feeders will be determined after the July weigh-in. Heats will be determined by the number of the calves that weigh-in; no more than 8 calves will be in a heat. Awards will be adjusted accordingly at that time to ensure the correct amount of awards.
9. There may be an individual feedlot (packer) bid for dairy feeder calves. The bids may vary by breed and weight, and exhibitors will be given their bid at weigh-in on Sunday, at which time they must accept or reject the bid of their animal. All calves choosing to accept their bid must be vaccinated at weigh-in, at the exhibitor's expense. The proper vaccines, chosen by the feedlot (packer) bidder and veterinarian, will be administered by a veterinarian.
10. There will be up to four Livestock Sale slots for Champion, Reserve Champion, and any remaining Division Champion Dairy Feeder Calves for Thursday's Livestock Sale. Dairy Feeders will follow Dairy Products at the Livestock Sale. Any dairy feeder calves selling as Champion, Reserve Champion, or Division Champion in the Livestock Sale, is required to sell by feedlot bid.
11. Up to two animals and one back-up may be registered in the exhibitors name at weigh-in / tag-in. If an exhibitor has both dairy feeders in the same heat class, another Fairfield County Junior Fair Exhibitor will be used to help show their dairy feeder.
12. Straw or shavings may be used for bedding.

Dairy Feeder Showmanship Contest

The contest will be conducted in four divisions: Senior (Ages 15 -18), Intermediate (Ages 12 - 14), Junior (Ages 9 - 11), Beginners (first year dairy exhibitor under age 11). Rules apply to all divisions.

1. Any previous winner of a particular age showmanship category will be ineligible to participate in that same category of that particular show in following years.
2. Ages are as of January 1 of the current year.
3. All previous senior showmanship winners and current showmanship winners may compete in the "Showman of Showmen" contest. (Must be a current Junior Fair Dairy Exhibitor).
4. Each exhibitor must show their own animal, however they may be asked to show another animal during the contest.
5. In making the placing, fitting will count 50% and showmanship 50%. Fitting includes: Condition, quality and finish. The hide, hair, and hoofs must be clean. Showmanship includes exhibitors appearance and knowledge of the project and the ability to properly pose the animal and move the animal in the ring as directed by the judge.
6. The senior showmanship winner will compete in the Super Showmanship Contest. An exhibitor can compete only once in the Super Showmanship Contest representing Dairy Feeder Calves.

Dairy Feeder Rate Of Gain Contest

1. The actual rate of gain will be calculated by subtracting the beginning weight from the final weight and dividing the difference by the number of days from initial weigh-in in July to the final weigh-in at the fair.
2. Only one feeder for each exhibitor will be eligible for the rate of gain contest.
3. Order of placement in regular show has no relevance to the rate of gain contest.
4. To be eligible for rate of gain awards, the dairy feeder calf must be exhibited and shown at the Fairfield County Fair.
5. Awards will be given to the top two dairy feeder calves according to the criteria listed above.

Dairy Breeding Special Rules

1. All dairy animals must be in the exhibitor's possession by July 1 of the current year.

3. Exhibitors leasing heifers must obtain and file a Lease Agreement Form to the OSU Extension Office by July 1 of the current year.
4. All exhibitors showing registered / qualified animals must present registration / qualification papers when requested. Registered and grade animals the same age will show in the same class.
5. If the exhibitor's name does not appear on the animal's registration / qualification papers, then a letter from the breed association or a notarized letter stating the names of the members associated with that animal in question must be submitted to the OSU Extension Office by July 1.
6. No bulls.
7. All cattle and calves must be hornless.
8. Straw or shavings may be used for bedding.
9. All exhibitors must wear white.

Dairy Breeding Showmanship

The contest will be conducted in four divisions: Senior (Ages 15 - 18), Intermediate (Ages 12 - 14), Junior (Ages 9 - 11), Beginners (first year dairy exhibitor under age 11). Rules apply to all divisions.

1. Any previous winner of a particular age showmanship category will be ineligible to participate in that same category of that particular show in following years.
2. Ages are as of January 1 of the current year.
3. All previous senior showmanship winners and current showmanship winners may compete in the "Showman of Showmen" contest (Must be a current Junior Fair Dairy Exhibitor).
4. Each exhibitor must show their own animal, however they may be asked to show another animal during the contest.
5. In making the placing, fitting will count 50% and showmanship 50%. Fitting includes: Condition, quality and finish. The hide, hair, and hoofs must be clean. Showmanship includes exhibitors appearance and knowledge of the project and the ability to properly pose the animal and move the animal in the ring as directed by the judge.
6. The senior showmanship winner will compete in the Super Showmanship Contest. An exhibitor can compete only once in the Super Showmanship contest representing Dairy Breeding.

Dairy Premier Exhibitor Award

The dairy exhibitor with the highest point total from up to 5 of the following 6 available Fairfield County Junior Fair Dairy Activities will be declared Fairfield County's Premier Dairy Exhibitor: Dairy Knowledge Test, Dairy Feeder Individual Class Points, Dairy Breeding Individual Class Points, Dairy Feeder or Breeding Showmanship Points, Dairy Judging Contest Points, and Dairy Breeding or Dairy Feeder Project Book Contest. Awards will be given for the top five placing exhibitors in the Premier Dairy Exhibitor program.

1. The Dairy Knowledge Test on the assigned days and times will be the only opportunity for participants to complete the Knowledge Test and be eligible to participate in the Premier Dairy Exhibitor Contest. All ages will compete against each other for the rankings of the Knowledge Test.
2. Exhibitors must turn in their own book for the project book competition. Only one book is required to be turned in, so exhibitors have a choice of submitting breeding or feeder books. To be eligible for the project book competition, all books (breeding or feeder) must be turned in by the end of the Dairy Feeder Weigh-In. At the time of book submission, one question from the project book (pertaining to both 4-H and FFA project books) will be answered by the exhibitor for use in the event of a tie.
3. Since the Ohio State 4-H Dairy Judging Contest, and the Ohio State FFA Dairy Judging Contest are both held in conjunction with the Spring Dairy Expo on April 30, 2016 the Dairy Judging Contest scores will be determined by the placing of the individual in the Spring Dairy Expo Open Contest (which includes results of both competitions) relative to other Fairfield County participants. Since there is a Junior and Senior Competition at this Contest, there will be two sets of scores awarded. For example, if the highest placing Senior Competitor from Fairfield County is 11th in the Spring Dairy Expo Contest, he/she will receive 20 points. If the next highest senior competitor is 23rd in the Spring Dairy Expo Contest, he/she will receive 19 points. If the next highest is 44th in the Spring Dairy Expo Contest, he/she will receive 18 points.
4. In the event of ties within any category, the points for the placings that are tied will be divided equally between the exhibitors that are tied. For example, if two exhibitors are tied for 3rd, they will divide the total points that would have been awarded for third and fourth place (18+17 divided by 2 = 17.5 points/exhibitor). The next highest placing individual would then receive 5th place points.
5. If exhibiting more than one dairy breeding project, only the highest placing animal will be used for Premier Dairy Exhibitor points.
6. Since previous winners of the Senior Dairy Showmanship Classes (both Dairy Feeder and Dairy Breeding) are ineligible to participate in that Senior Dairy Showmanship class again, the exhibitor's placing in the Showman of Showmen Contest will determine their placing and subsequent points to be used for the Premier Dairy Exhibitor Award. However, any winner of any Dairy Showmanship Contest (both feeder and breeding) in the current year should use the age category points earned, regardless of placing in the Showman of Showmen Contest.
7. In the case of a tie for Premier Dairy Exhibitor from the total of the 5 highest categories of each exhibitor, the first place tie will be broken first by the individuals' highest placing in the following order: Highest Dairy Showmanship placing (either Feeder or Breeding), and Dairy Judging Contest ranking. If a tie still exists, the award monies will be added together and split equally. For example, in a two way tie for 1st place, both exhibitors receive \$87.50 (\$100+\$75=\$175 divided by 2). Also, in the event of a tie for 1st place, a director's chair will be awarded to each individual.
8. Any individual who is selected for the Ohio State 4-H Dairy Judging Team, is a member of the winning Ohio State FFA Dairy Judging Team, or who qualifies for the Ohio State 4-H Dairy Quiz Bowl Team will automatically receive 5 extra points to be added to his/her final Premier Dairy Exhibitor score. Any individual who wins the District FFA Dairy Proficiency competition will automatically receive an extra 3 points to his/her final score, and any individual who wins the State FFA Dairy Proficiency Award will automatically receive an extra 5 points to his/her final Dairy score. Any individual who is a State 4-H Achievement Award Winner in Dairy will receive an extra 5 points to his/her final score, Alternates or Honorable Mentions will receive an extra 3 points to his/her final score. An individual is limited to a maximum of 5 points being added to his/her final Dairy Premier Exhibitor Score.
9. The Premier Dairy Exhibitor winners will be announced on **Wednesday** afternoon, immediately following the Dairy Breeding Show.

For example, if two exhibitors are tied for third, they will divide the points that would have been awarded for 3rd and 4th place (18+17 divided by 2 = 17.5 points/exhibitor). 4. If an exhibitor has both of their lambs in the same class, another Junior Fair exhibitor will be used to help show their lamb.
5. Lambs will be ear-tagged for identification at the fairgrounds in July. Each exhibitor may register **two market lambs** for the live show and **one for MQP. An additional lamb maybe tagged as a back up and shared by family members should a lamb be determined by the vet unable to show.** All sheep projects must be in the exhibitors possession by July 1 of the current year.
6. Registered ewes and grade ewes will show in separate classes.
7. All sheep exhibited must have been completely and fully owned (as evidenced by a bill of sale or registration papers) and in the complete

- possession and continual care of the exhibitor on and after July 1 of the current year for both breeding sheep and market lambs.
8. All market lambs must be born after January 1 of the current year.

 13. To be eligible to sell individually, lambs must receive an "A" grade and weigh from **100 to 150 pounds**.
 14. Those lambs over **150 pounds, and lambs 75 pounds to 99 pounds**, will sell in groups.
 15. The class winners in the Grand Champion heat will be placed by the judge for sale order after the Grand and Reserve Champion have been selected. The judge will give guidance determining the remaining lambs in the sale. A higher proportion of lambs at the desirable market weight with acceptable finish will be given more consideration.
 16. All sheep must be free of sore mouth, foot rot and warts.
 17. All exhibitors showing purebred sheep must present registration papers when requested.
 18.  27. No shearing of sheep is permitting on the fairgrounds. Only minimal trimming is permitted.

Muscle Quality & Performance (MQP) Lamb Contest Special Rules

1. Junior exhibitors only.
2. Carcass lamb weigh-in and tagging will be on the July weigh-in from 8:00 - 10:30 a.m., the same date and time that the market lambs are tagged. Carcass lambs will come to the fairgrounds for the final weigh-in preceding harvesting 2 weeks prior to the fair (in 2016, September 25th) at 1:00 p.m.
3. Exhibitors currently may tag in a total of three lambs two for the live market lamb show and one for the carcass in their name. One additional lamb maybe weighed in as a back-up if as a back-up should one of the others is determined by the vet to be unable to show. Back up lamb may be shared among a family.
4. Fairfield County Junior Fair Sheep Committee will supervise at all weighing and tagging procedures at the July date. In the event that an animal loses an ear tag, the exhibitor must contact the Senior Fair Office as soon as possible. If possible, save the tag that came out.
5. Wethers or ewes are acceptable. It will be required for both to have the official USDA scrapie tag, regardless of age, just as the ewe lambs, wethers, and rams entered in the live show.

8. Lambs weighing less than **100 pounds** at the September weigh-in will go home.
9. At the September date, carcass lambs will be brought to the Fairfield County Fairgrounds to be evaluated and weighed. Average daily gain will be calculated at this time. The lambs will then be transported to the facility to be harvested.
10. Results of the contest, with all data evaluated, will be collected prior to the fair. Exhibitors will be invited to the harvesting facility to observe their projects and see how the carcass data was collected.
11. Calculations for carcass merit will include loin eye measurement, back fat, KPH fat percentage, leg score, quality grade and percent retail cuts. Formulaic equations using the above data will determine carcass placings. Points will be awarded/removed for the various criteria as it applies to the desirable carcass merits.
12. Lambs are subject to rules of Quality Assurance, i.e. substance withdrawal. **DUNF forms are required.**
13. The Grand and Reserve Champion Carcass Lambs will sell in the 3rd and 4th sale slots, respectively, at the Junior Fair Lamb Sale. Places 3rd-10th will be dispersed throughout the remaining sale order.

Sheep Showmanship

The contest will be conducted in the following divisions: (I - Senior, Ages 17 - 18), (II - Ages 15 - 16), (III - Age 14), (IV - Age 13), (V - Age 12), (VI - Age 11), (VII - Age 10), (VIII - Ages 8-9).

4. All sheep projects are eligible to be shown in this class.
5. The senior showmanship winner will participate in the Super Showmanship Contest. An exhibitor can compete only once in the Super Showmanship Contest representing sheep. If the senior showmanship winner has already participated in the Super Showmanship Contest, the highest placing senior showmanship winner who has not competed in Super Showmanship representing sheep will compete in the contest.

Sheep Premier Exhibitor Award

1. The sheep exhibitor with the highest point total from up to 5 of the following Fairfield County Junior Fair Activities will be declared Fairfield County's Premier Sheep Exhibitor: Sheep Knowledge Test, Market Lamb Class, Breeding Sheep Class, Sheep Showmanship, Sheep Judging Contest, and Sheep Project Book Contest. Awards will be given for the top 5 placing exhibitors in the Sheep Premier Exhibitor Program.
2. The Sheep Knowledge Test on the assigned days and times will be the only opportunity for participants to complete the Sheep Knowledge Test and be eligible to participate in the Sheep Premier Exhibitor contest. All ages will compete against each other for the rankings and points for the Knowledge Test.
3. Exhibitors must turn in their own book for the project book competition. Only one book is required to be turned in, so exhibitors have a choice

of submitting breeding, market, etc.). To be eligible for the project book competition, all books must be turned in by the end of the Lamb Weigh-In. At the time of book submission, one question from the project book (pertaining to both 4-H and FFA project books) will be answered by the exhibitor for use in the event of a tie.

4. The Sheep Judging Contest will be a portion of the Fairfield County General Livestock Judging Contest which will be held the Sunday of the Fair at the Fairfield County Fairgrounds. All ages will compete against each other for the rankings and points for the Judging Contest.
5. In the event of ties within any classes, the points for the placings that are tied will be divided equally between the exhibitors that are tied. For example, if two exhibitors are tied for third, they will divide the points that would have been awarded for third and fourth place (18+17 divided by 2 = 17.5 points/exhibitor). The next highest placing exhibitor would then receive the fifth place points.
6. If exhibiting more than one breeding sheep, only the highest placing animal will be used for Premier Sheep Exhibitor scoring.
7. In the case of a tie for Premier Sheep Exhibitor, the award monies will be added together & split equally. For example, in a two way tie for 1st place, both exhibitors receive \$87.50 (\$100 + \$75 = \$175 divided by 2). Also, in the event of a tie for 1st place, a director's chair will be awarded to each individual.
8. The Premier Sheep Exhibitor will be allowed to sell their market lamb immediately after the Grand and Reserve Live & Carcass Champions are sold. (5th in the overall lamb sale order). In the event of a tie for 1st place Premier Sheep Exhibitor, each will be sold directly after the Champions. The Premier Sheep Exhibitor 1st place tie for sale order will be broken by the individuals' placing in the Sheep Knowledge Test. If that doesn't break the tie, placings in the following order will be used until the tie is broken: Sheep Showmanship, Sheep Judging Contest, Breeding Sheep Class, and Market Lamb Class. If that doesn't break the tie, a flip of a coin will be used.

The second violation the Show Superintendent will discuss with the 4-H/FFA advisor present with the exhibitor along with the attendants (parents or person responsible for the exhibitor) and Junior Fair Director. I.E. #2: If the exhibitor is showing a Polish buck and a Mini Lop doe, the third rabbit must either be from a third breed of rabbit, or a Polish doe, or a Mini Lop buck. It cannot be the same class as the first two breeds of rabbits.)
10. Exhibitors must keep name tags on their pens. Do not remove them.

Junior Age Class Breeding Rules

1. A Junior rabbit is an animal that is defined pure breed by A.R.B.A. standards as 4-6 months of age.
2. The Junior Age Rabbit class is reserved for an exhibitor that is at least a 3rd year rabbit showman. The exhibitor must enter a breed in the Junior class and also enter the same breed as a breeding buck or doe. This is an advanced project for an exhibitor to take once they have bred their own stock, with the intention to show the offspring from the exhibitor's own doe and own buck. The amount of breeds will dictate the number of classes that are created and will be showed at the end of the original show.
3. **Junior Rabbits can only be shown after the other 2 breeding entries have been judged. The junior rabbit entry will be eliminated from the show order if the exhibitor does not have 2 other registered entries in the breeding show.**
4. Exhibitors must have shown for 3 or more years in rabbits to enter a Junior Class.
5. Exhibitors must have entered 2 entries in the breeding class to enter in a Junior Class. Breed class is defined as either: 2 does of different breeds, 2 bucks of different breeds, or a buck and a doe of any breed including the same breed. Exhibitors may then enter a Junior rabbit as a third entry.
6. The Junior rabbit must be of the same breed as one of the other 2 breed entries. Example: If an exhibitor enters 2 New Zealand rabbits, the Junior entry must be a New Zealand. If the breeding entries are 2 different breeds such as Standard Rex and a Satin Breed, the Junior entry must be a Standard Rex or Satin. No other breed will be accepted. **If an exhibitor does not enter 3 rabbits, than the first 2 will be entered into the breeding classes and they will not qualify for the Junior class.**

Market Rules

1. Market rabbits must be in the members possession by September 1 of the current year.
2. Underweight and overweight pen of 2 market rabbits will be permitted to be shown and receive a grade for their project. They will not be able to be sold individually but will be sold in an overweight/underweight group at the end of the auction.
3. Pen weight will determine the class (fryers or roasters) that market rabbits are entered into.
4. Market rabbits will be **tattooed** on the Saturday after Labor Day b the Fairfield County Junior Fair Rabbit Committee at the Fairgrounds. Rabbits cannot be tattooed by family. The rabbits will be then be weighed at the fair and the tattoo number on the ear will be used as identification.
5. If a pen receives 1st through 8th place, the exhibitor is required to sell the animal in the livestock auction.
6. Fryer pens placing 1st through 8th may be sold individually at the livestock auction according to ODA Rule 901-19-01 Y.
7. Homegrown Fryer pens placing 1st through 8th may be sold individually at the livestock auction according to ODA Rule 901-19-01 Y.
8. Roaster pens of two placing 1st through 8th may be sold individually at the livestock auction according to ODA Rule 901-19-01 Y.
9. Homegrown Roaster pens placing 1st through 8th may be sold individually at the livestock auction according to ODA Rule 901-19-01 Y.
10. All other eligible market rabbits to be sold may be sold in groups at the livestock auction according to ODA Rule 901-19-01 Y.
11. Exhibitors entering the market class twice are doing so with the intention of entering one pair of fryers/homegrown fryers and one pair of roasters/homegrown roasters.
12. For exhibitors weighing two market entries, the first pen weighed will be placed into the appropriate class and the other pen will default into the opposite class, and must make weight for that class to be eligible to show.
13. Rabbits will be shipped to the packer on Saturday morning. Any rabbits remaining in the market barn after 9:00 p.m. Friday will be sent to the packer.
14. No additional rabbits may be sold to the packer on the fairgrounds.
15. Exhibitors may enter in either the Fryer Class OR the Homegrown Fryer Class and the Roaster Class OR the Homegrown Roaster Class.
16. Exhibitors competing in the Homegrown Fryer and Roaster Classes must own both the sire (buck) and dam (doe) and have bred their own litter. These adult rabbits must be bred by the exhibitor, and these offspring are then brought to the fair.
17. Exhibitors competing in the Homegrown Market Fryer and Roaster Class must fill out an intent form (signed by exhibitor, parent, and advisor) by May 1st stating they are planning to raise their own litter and enter in the class. If the litter does not come, the exhibitor will still be able to purchase a pair for the other class (Fryer or Roaster) by September 1. See also Rule #20.
18. The birthdate of the Homegrown Rabbit litter should be no later than August 1st. This litter should be available for inspection by August

- 10th by a member of the Rabbit Committee or Junior Fair Coordinator. (Not all exhibitors will be visited in a given year; a random, countywide sweep will be made to ensure all exhibitors are honoring their intent).
19. If the Homegrown Rabbits are not owned by the exhibitor, s/he may be excused from exhibiting in the Market Class Show for that year.
 20. If the exhibitor is competing in the Homegrown Rabbit Competition, the Homegrown Rabbit certificate must be submitted to the OSU Extension Office by May 1st of the current year.
 21. Exhibitors are only able to enter in 1 Market Fryer and 1 Market Roaster Class during the fair registration in September.
 22. Market rabbits are ineligible to be shown as a breed rabbit unless your market pair has been found to be underweight and is your ONLY project. Then this rabbit may be placed in the proper breed class to receive a grade. Lightweight rabbits are: 1) When 1 rabbit weighs at least **3.60** pounds and the 2nd rabbit weighs under **3.35** pounds; 2) When you lose 1 rabbit and only have 1 rabbit to show.

1. All ages are as of January 1 of the current year.
2. Rules and conditions apply to all divisions.
3. Each contestant must show their own animal, but during the course of the contest may be asked to show another animal.
4. All animals used in the showmanship contest MUST also be registered for the show in a market or breeding class.
5. The Senior Showmanship winner will participate in the Super Showmanship Contest. An exhibitor can compete only once in the Super Showmanship Contest representing rabbits.
6. Rabbit Showman of Showmen is open to all Rabbit Showmanship division winners and all previous Junior Fair Showmanship winners from the past three years. (All participants must still be current Junior Fair Exhibitors).

Premier Rabbit Exhibitor

1. The rabbit exhibitor with the highest point total from up to 6 of the following Fairfield County Junior Fair activities, (3 of the categories to participate in Premier Rabbit Exhibitor must be test points, rabbit project book competition and showmanship **or** showman of showmen), will be declared Fairfield County's Premier Rabbit Exhibitor. The 9 classes that will be considered are: Rabbit Knowledge Test, homegrown roaster or market roaster, homegrown fryer or market fryer, rabbit showmanship or showman of showmen, Breeding Doe, Breeding Buck, Junior Doe OR Buck, or rabbit project book competition. There will also be points awarded for placing in the market classes in the heats: 7 points for first and 4 points for second. There will also be points given for placing in your breed classes: 7 points for first and 4 points for second and 1 point for third place.
2. Exhibitors must turn in their own book for the project book competition. Only one book is required to be turned in, so exhibitors have a choice of submitting a breeding or market project book. If the exhibitor is also taking the Pet Rabbit Project (see Book 15 Companion Animals), this project is NOT ELIGIBLE for the Premier Rabbit Exhibitor. Pet Rabbit Project Books must accompany the exhibitor to their Companion Animal Project Judging. To be eligible for the project book competition, all books must be turned in by the end of the Market Rabbit Weigh-In. At the time of book submission, one question from the project book (pertaining to both 4-H and FFA project books) will be answered by the exhibitor for use in the event of a tie.
3. Awards will be given for the top five placing exhibitors in the Premier Rabbit Exhibitor program.
4. The Knowledge Test is a mandatory activity for participation in the Premier Rabbit Exhibitor program. All ages will compete against each other for the rankings and points for the participants.
5. In the event of ties within any classes, the points for the tied placing will be divided equally between the exhibitors that are tied, for example, if two exhibitors are tied for 3rd, they will divide the points that would have been awarded for 3rd and 4th place (18 + 17 divided by 2 = 17.5 points/exhibitor). The next highest placing exhibitor would then receive the 5th place points. Also, in the event of a tie for 1st place, an award will be given to each individual.
6. In event that there is a tie with the 1st place exhibitor, the following order will be used until the tie is broken: Rabbit showmanship or showman of showmen, test points, Champion breeding rabbit, market placing position, breeding doe or buck position. If that doesn't break the tie, rule 2 will take place.
7. The Premier Rabbit Exhibitor winners will be announced Thursday afternoon, immediately following the Rabbit Breeding Show.
8. Market heat classes will not be issued points for third place.

- Any FFA member raising a Pilot Puppy or other type of Assistance Dog may complete in the Assistance Dog Class.
- Only domestic dogs can be shown. Wolf and wolf hybrids are not permitted.
- All dogs exhibited must be six months of age by the date of the show. This includes Pilot Dog puppies and other assistance dogs. Proof of age is the burden of the exhibitor or exhibitor's immediate family. Dogs not meeting this age requirement cannot be shown at the Fairfield County Fair.

Training/Showing/Titles

1. Lessons, instruction and advice for the exhibitor are encouraged. As long as the exhibitor is present in the learning situation, and handles or trains the dog the majority of the time present, such assistance can include occasional handling or training by another person. Only the exhibitor can train the dog at any type of training class *on or after April 1*.
2. No one other than the Junior Fair Exhibitor is permitted to show the project dog at any type of dog show, including agility, field trials, rally trials, etc., as well as fun matches, *on or after April 1*.
3. Project eligibility and class or classes entered must be determined at the county level. It is the responsibility at the county level to determine what class or classes the exhibitor is eligible for, and that the exhibitor understands the *Rules for 2016 State Fair Participation*, including the exercises to be performed for the judge will apply at the county level also.
4. *Dogs other than those entered to show are not permitted on the Fairgrounds.*
5. Junior Fair exhibitors in respective activities and classes are expected to perform in those events and demonstrate those skills which are listed in these *Rules for 2016 State Fair Participation*, in the *Ohio 4-H Dog Resource Handbook*, *Ohio 4-H Dog Project and Record Book*, on the various dog 4-H judging score sheets, and in the USDAA® Official Rules and Regulations. **NOTE:** Scoresheets used in judging are in the *Ohio 4-H Dog Project and Record Book*. They are also posted under Resources at <http://www.ohio4h.org/statewide-programs/animal-sciences/dog/dog-resources>
6. These score sheets must be used for evaluating 4-H dog projects.
7. Exhibitors showing their dogs at any Licensed or Member Obedience Trial or at a Sanctioned Match must show their dogs at the same or higher *B level classes* than they are showing in AKC, UKC, or other titling shows. Dogs completing their Companion Dog (CD) title (or UKC or other titling equivalents) *prior to, or anytime during, the project year* must show in the Graduate Novice classes at the very minimum. Dogs completing their Companion Dog Excellent (CDX) title (or UKC or other titling equivalents) *prior to, or anytime during, the project year* must show in Open, Graduate Open, or Utility classes. *Any dog receiving one or more legs toward a title anytime during the project year must then move into the appropriate B class at the time the first leg was earned.* For Showmanship classes, dogs with AKC Jr. Handling or like experiences must be shown in exhibitor age-appropriate B classes. *Dogs completing a title prior to, or anytime during, the project year must show in exhibitor age-appropriate B classes. Any dog receiving points toward a championship title anytime during the project year must then move into the appropriate B class at the time the points were first earned. This rule, if applicable, supersedes exhibitor and dog information listed in the class descriptions found later in this document.* Fun matches do not apply.
8. ONLY dogs shown by junior fair exhibitors are permitted on the Fairgrounds. Exhibitors, parents/guardians, advisors, show personnel, etc., are NOT permitted to bring their dogs on the Fairgrounds and to the Dog Show unless dogs are being used for demonstration purposes. All dogs must comply with 2016 Ohio State Fair Junior Fair Dog Show health and license requirements. Pregnant and lactating bitches, bitches in heat, and puppies less than 6 months of age are NOT permitted on the Fairgrounds.

License and Health Requirements

1. All dogs must be currently licensed in the exhibitor's county of residence. The exhibitor must bring a certificate of license to Dog Check-In Day check. The dog license tag alone is not sufficient. (Exception: Assistance Dogs. Many Assistance Dog Organizations (i.e. Pilot Dogs, Inc.) provide the appropriate licensing document for exhibitors. If they do not, the exhibitor is responsible for licensing. Guide, hearing, or service dogs are exempt from any fee).
2. The *2016 Fairfield County Fair Dog Project Identification Form and Vaccination Certificate completed and signed* by a licensed, accredited veterinarian *is required for exhibition. THIS IS THE ONLY CERTIFICATE THAT WILL BE ACCEPTED AT THE HEALTH CHECK*, and must reflect that all vaccines are current through the last date of this year's Fairfield County Fair. This certificate must include ALL information requested in the Identification Form section, completed and signed by the exhibitor. The administering veterinarian must complete the information requested in the Vaccination Certificate section. Other certificates of vaccination, computerized vaccination records, pet record cards, or kennel records will not be accepted. *It is the exhibitor's responsibility to make sure that all health requirements for the Fairfield County Fair are met.*
3. The Ohio Department of Agriculture requires dogs to have current Rabies vaccinations. Veterinarians must document on the *2016 Fairfield County Fair Dog Project Identification Form and Vaccination Certificate* whether the exhibitor's dog's rabies vaccination is current for 1 year or 3 years by filling in the "date expires" blank.
4. ALL dogs must be vaccinated for Distemper, Hepatitis, Leptospirosis, Parainfluenza, and Parvovirus for exhibition at the Ohio State Fair Dog Show. If the veterinarian does not administer certain vaccinations, those vaccinations must be noted by the administering veterinarian, either on the vaccination form or letterhead.
5. Dogs CANNOT be shown at the Fairfield County Fair if vaccinations are given by anyone other than a licensed, accredited veterinarian.
6. The *2016 Fairfield County Fair Dog Project Identification Form and Vaccination Certificate* is available from the Fairfield County Extension Office or from your advisor.
7. Any dogs exhibiting abnormalities or symptoms of sickness, disease, or parasite infestation as determined by the health check officials will be eliminated from the show and must be removed from the Fairgrounds. If a dog is under veterinary care for a health condition that is not infectious or contagious, the exhibitor must bring a health certificate from the attending veterinarian verifying the condition and treatment. Decision of the health check officials is final.
8. *Bitches showing ANY signs of heat are not permitted on the Fairgrounds. They are not permitted to show!* If a bitch shows any signs of heat, she will be eliminated from the show and must be removed from the Fairgrounds. Any bitch, which appears so attractive to males as to be a disturbing element, will be eliminated from the show and must be removed from the Fairgrounds. Decision of the health check officials is final.
9. Pregnant and/or lactating (nursing) bitches are not permitted on the Fairgrounds, and are not permitted to be shown.
10. Any male or female dog that is a disturbing element to other dogs will be eliminated from the show and must be removed from the Fairgrounds.
11. For the Fairfield County Fair all paper work will be turned in on Dog Project Check-In Day at the Fairfield County Fairground Show Arena, exhibitors are required to bring their dog, dog license certificate and tag, and 2016 Fairfield County Fair Dog Project Identification Form and Vaccination Certificate. This will validate your entry. Incomplete or falsified information is grounds for dismissal.

Refer to <http://www.ohio4h.org/statewide-programs/animal-sciences/dog/dog-resources> for Sportsmanship and Ethics information.

1. Dogs must be kept on leash while on the fairgrounds, except when participating in the ring during judging. Dogs must be kenneled in designated areas. Exhibitors are totally responsible for their dogs while on the fairgrounds. Exhibitors are expected to clean up after their dogs. Dogs are not permitted outside the show ring area and kennel area. Dogs must not be left unattended.
2. Any dog exhibiting unsafe or threatening behavior or any exhibitor or other person(s) abusing or neglecting a dog will be removed from the fairgrounds. Exhibitors will be disqualified if their dogs are seen wearing muzzles, prong collars, or electronic collars.
3. Any dog that is not under its handler's control and any handler who willfully interferes with another competitor or that competitor's dog will be excused from competition.
4. JUDGES DECISIONS ARE FINAL. Exhibitors, parents, volunteers, and other individuals ARE NOT PERMITTED to talk with judges at any time during the Dog Show. Discussion and/or confrontation with judges will result in disqualification of exhibitor and removal of individuals from the Fairgrounds.
5. Exhibitors, parents, volunteers, and other individuals verbally and/or physically abusive or threatening to show personnel will be removed from the Fairgrounds, and exhibitors will be disqualified.
6. Judges and/or show officials have the right to disqualify any participant exhibiting poor sportsmanship from showing, or from receiving any awards, at anytime during the Dog Show, as well as order the removal from the Fairgrounds of anyone showing unsportsmanlike conduct. This is in addition to participants having points deducted from the Sportsmanship category on their score sheets.
7. The judge or show officials may dismiss from the ring any dog exhibiting unsafe or threatening behavior or any exhibitor abusing the dog. *This may result in disqualification of exhibitor and/or removal of dog and/or exhibitor from the Fairgrounds.*
8. Only the exhibitor's dog, exhibitor, and show officials are permitted in the show ring area at any time throughout the show.
