

Recreation Leader Activity Planning Sheet

To make leading activities easier, use this planning sheet for every activity at every meeting. Decide what game/activity you want to do and then follow the steps. Be sure to practice leading the activity with your parent/guardian or club leader. Keep each sheet in a notebook to give to the next recreation leader as a record of the games the club knows and how well the members like each. The new recreation leader can add more games to the notebook.
