

Fairfield County 4-H Clothing Projects Guide

Guidelines for completing Clothing Projects

- Read and complete activities and requirements in the project book.
- Decide which fabrics best suit the pattern you choose.
- Choose a pattern for 4-H'er body type and alter or adjust pattern to fit your frame.
- Read and decide which seam finishes are appropriate for clothing items the 4-H'er is making.
- Understand and be able to explain the procedures used in constructing the garment.
- Press garment during construction.
- Be sure garment is clean and pressed when worn to summer judging and Style Revue.
- Judging Day: wear complete outfit, project book, pattern and photo.
(Changing room will be available.)
