The Basics – (REQUIRED) Important Stuff to Know!

CHECK-IN
1) CHECK-IN is from 9:00 - 9:30 a.m. When you arrive at Alley Park, please park in the main parking lot and go immediately to the shelter house near the parking lot to check-in. Here, your camper will receive their camper name tag, group assignment, and be directed to further stations if needed. Supervision at camp is not available until 15 minutes prior to the start of registration, therefore we ask that you please plan to arrive accordingly.

CAMP DISMISSAL and CHECK-OUT
1) CHECK-OUT is at 4:00 p.m. Check-out will be at the shelter house at the main parking lot where you checked-in your camper (please, do not come back to the main lodge). Please do not arrive more than 15 minutes early—campers and staff will not be ready to leave!

2) Please wait at the parking lot until all campers are accounted for then parents will be able to sign out their camper at the shelter house and then see a counselor to get your camper and belongings. Be sure to double check their possessions before you leave camp. Lost items are hard to match to their owners. You are responsible for your possessions. We ask that you do not bring expensive or valuable items to camp.

Please note: If you are not picking up your own child, you do not need a note or need to let us know in advance. This information will be documented on the camper release card for ALL campers. The person who is picking up your camper will just need to show a picture ID and sign them out (see below for more information).
CAMP FORMS
1) The Ohio 4-H Health Statement (enclosed) will be due to the Extension Office by June 7, 2019. Please remember to attach a picture of the camper.
2) The Permission to Participate Form (enclosed) can also be turned in to the Extension Office prior to camp (by June 7, 2019 with Ohio 4-H Health Statement) or must be brought to check-in at camper registration.
3) CAMPER RELEASE FORM (required for EVERY camper). Each camper MUST have a “Camper Release Form” (see attached card) on file which authorizes who is allowed to pick-up your child from camp at dismissal. Please list name, relationship (i.e. grandparent, sibling, neighbor), and phone number. This form must be brought with you to check-in at camper registration (if not already turned into to the Extension Office with other forms prior to camp on June 15th).

Medication must be brought in its’ original container with the drug label intact. Please place medication in a Ziploc bag with directions for the medication along with an additional picture stapled to the front. Make sure all medication has the name of the camper on it!
- If there is a health concern, please contact the Extension Office PRIOR TO CAMP, so we can plan accordingly.
- If your child may need an epi pen, it is recommended they bring 3 epi pens with them to camp.
- Medical Equipment/Apparatuses (i.e. knee braces, wraps, splints, crutches, etc.) - To wear/use medical equipment/apparatus during camp, the camper must bring signed documentation and instructions for use from their physician. The parent/guardian assumes full responsibility of any injury or further damage as a result of camper wearing/using this medical equipment/apparatus. Please keep in mind, the hills are steep and lots of walking is involved while at camp—transportation will not be provided for individuals to get up hills or to any part of camp. If campers have challenges walking at camp, you may want to re-think whether or not your camper should attend camp this year.

TRANSPORTATION and CAMPER RESTRICTED/EARLY RELEASE
- Parents are responsible for camper’s transportation to and from camp. Carpools might be arranged by talking with your other club members. Included in this letter is a map to assist you in finding the camp.
- If you need to restrict who picks up your child, OR a camper must leave earlier than the stated release time, you MUST complete and sign a Camper Release Form and give it to us at check in or turn in by June 1st.

HOW PARENTS CAN HELP PREPARE FOR CAMP

- Each camper will be asked to help clean up their area make sure they understand this.
- Make right food choices, have them help you pack their lunch and make choices of a fruit drink, fruit, carrots, or celery. Encourage your child make responsible choices by choosing to eat all of their lunch that they have packed.
- Campers are known to sometimes neglect issues of personal hygiene. Make sure your child knows proper hygiene. One thing you might want to discuss with them is the importance of washing hands after using the bathroom and before eating.
- Find help when needed. No matter where a child may be, they need to know how to find help. Teach your child how to locate a trustworthy adult. Reassure them that it is alright to ask for assistance in an uncomfortable situation or when they have a problem. Camp Counselors, Camp Staff, County Staff and the Camp Director are all on hand to help if the need arises.
- A trip to Alley Park before hand would help to know the area before they arrive and make for an enjoyable family outing.
Permission to Participate - 2019 Fairfield County 4-H Camps

I give permission for my child (name) _________________ to participate in Fairfield County 4-H Camp(s) at OSU Extension/Tar Hollow State Park/Alley Park on (circle dates) June 15, June 23-26, July 1- July 4, 2019. Attending camp may lead to contact with individuals who are experienced and inexperienced in the above mentioned activities. I also understand that participation in this activity is strictly voluntary and not a requirement for 4-H membership.

I am aware, and have discussed with my child, that:

A. Being in and around water, woods, and participation in camp activities may cause clothing to become wet, dirty, and beyond cleaning and/or repair;
B. While in a canoe/kayak, my child may be involved in a collision with another canoe/kayak, person, or object in the water;
C. Hiking may give rise to risk of injury arising from the surface or subsurface of the ground on which the hiking occurs;
D. Participation in sporting/recreational events may give rise to injury as a result of collisions with another individual or sudden falls;
E. Other participants may act in a negligent manner which otherwise may result in harm to my child;
F. Swimming in a pond may lead to injury caused by slippery surfaces, contact with other swimmers and/or objects in the water.

I recognize that the above mentioned activities and potential resulting risks may cause injury, death, drowning, or loss to participants or other persons in the immediate vicinity.

I understand that my child is not required to participate in this activity, but grant permission for him/her to do so, despite the possible risks. I recognize that by participating in this activity, as with any physical activity, my child may risk personal injury. I hereby attest and verify that I have been advised of the potential risks, that I have full knowledge of the risks involved in this activity, and that I assume any expenses that may be incurred in the event of an accident, illness, or other incapacity, regardless of whether I have authorized such expenses.

Ohio 4-H Camp Cell Phone Policy
(Ohio 4-H Policy effective October 2015)

As a means of risk management, youth participants (campers and counselors) may not possess cell phones* during 4-H camp. Counselors shall not use cell phones (as alarms, music players, etc.) in their cabins at any time. Camp Program Directors have discretion for permitting camp counselors selective cell phone use during limited time periods, such as during out-posting, nature treks, or off-camp travel (field trips), or for other safety concerns where the use of two-way radios is not practicable. Camp Program Directors will determine consequences for possessing a cell phone. The State 4-H Office recommends a zero tolerance approach: If an individual is caught with a prohibited cell phone, they will be sent home at the family's expense.

*Camp Program Directors also have discretion for prohibiting other internet-enabled devices at their 4-H camps.

The Fairfield County Camp Director recognizes the Ohio 4-H Camp Cell Phone Policy. However, Fairfield County Camps will abide by the Tar Hollow Electronics Policy as we will prohibit other electronic devices as outlined below:

TAR HOLLOW ELECTRONICS POLICY FOR CAMPERS AND COUNSELORS
(Approved by the Ross Hocking Extension Camp Board 3/27/2014)

Cell Phones:
Campers and counselors shall NOT bring any kind of cell phone to camp. Cell phones do not have reception at camp, and their use as cameras is prohibited.

Music players:
Counselors and staff may bring music players, radios, and iPod type devises but only for use in the cabins as alarm clocks and for music. Counselors may use iPod type devices outside of the cabin only at dances where the counselors are serving in a DJ capacity.

In addition iPods may not be used to play games or in a cell phone like capacity for texting, photos, or internet purposes.

Other electronics:
Campers and counselors shall NOT bring any other handheld game, laptop, or other communications devices capable of accessing the Internet through Wi-Fi or another external network.

Cameras:
Campers may bring cameras to camp provided that they cannot upload pictures to the Internet. Due to the nature of camp programs, a disposable or inexpensive camera is highly recommended.

MESSAGE TO PARENTS:
We know in this high-tech era that it’s difficult for youth to not be in constant contact with their families and friends via Facebook, texting, or cell phone calls. However, camp is a unique experience. The camp experience helps youth develop life skills including independence and self-reliance. Among the concerns that make bringing and using cell phones and other communication devices inappropriate at camp are:

• Concern that such expensive devices will be lost, damaged, or stolen. OSU Extension, camp, and staff cannot accept responsibility for lost, stolen, or damaged items at camp.

• Inappropriate use of photo and video devices. We know from media reports that the ease of uploading inappropriate photos and videos is a concern. Cyber bullying is not permitted before, during, or after camp.

In addition, youth contact with home if they are suffering a temporary spate of homesickness at camp may cause the condition to worsen. We fully appreciate and respect the positive relationships our campers and counselors have with their families, but if they are to benefit fully from the camp experience, they must be encouraged to develop the skills of independence and self-reliance. If there is an emergency, or if we are concerned about the youth’s well-being, we will contact the parents or guardians immediately. Campers are constantly in the company of other campers and counselors while at camp, and our camps are staffed with many caring adults, including an experienced camp nurse.

Thank you for your cooperation with our electronics policy.
