

2017 Display Barn Guards

Please make sure to tell those members and parents in your club the dates & times they are signed up as they may not receive this letter! If you or someone else is interested in signing up for an additional spot, let Missy (740-652-7264) know! Our goal for 2017 is to have 3-4 people per shift and to be more spread out in the building to help deter touching/theft of projects. (And if you can no longer assist, notify the office of that, too!)
