

2018 Fairfield & neighboring counties Ohio Beef Quality Assurance Meeting

Join us at the new Fairfield Cattle Company collection barn, 3443 Cinci-Zanesville Rd, Lanc.

The beef cattle industry is quickly evolving. In the coming years beef buyers such as Wendy's and Tyson will only source beef from producers certified in Beef Quality Assurance. To ensure you have complete market access, get BQA Certified at this meeting.

Guest Instructor: OSU Beef Specialist Dr. Steve Boyles
