

Freezing Fruits and Vegetables

Presented by: Shannon Carter
OSU Extension Family and Consumer Sciences Educator

Designed for people who want to learn more about basic home food preservation using freezing methods.

DATE & TIME

Thursday, June 28th
6:30 to 7:30 p.m.

LOCATION

Keller Market House
134 S Columbus St
Lancaster, Ohio 43130

Participants will learn how to: prevent fruits from discoloring, blanch vegetables, package produce for freezing and safely thaw fruits and vegetables.

DID YOU KNOW??

Clarence Birdseye is credited with inventing in 1924 the quick freezing method, which produces the type of frozen foods that we know today!
